350 Discuss Orinda Incorporation

'Town Hall' Meet Brings Out Varied Viewpoints

By JULIUS ROSENTHAL

Some 350 persons jammed Orinda School Auditorium Tuesday night for a "Town Hall" meeting on the subject of incorporation.

Called by the association, the gathering was for the purpose of disseminating information on the Orinda Association's efforts toward getting Orinda incorporated as a city.

Discussion was led by Association President Mel Arighi and Chairman Paul Pollaczek of the association's incorporation study committee. Many questions were asked by persons in the audience and were answered by committee members and outside experts.

No vote was taken by the audience. It was stated by Arighi that other "Town Hall" meetings on incorporation will be held in coming months.

Victor W. Sauer, county public works director; Lieut. Robert Fischer, in charge of the patrol division of the sheriff's office, who represented Sheriff Harry A. Brown, and Howard Gardner of Orinda, associate director of the League of California Cities, were the three outside experts present.

KENDRIC B. MORRISH, an Orinda resident for 17 years and former vice-president of the Orinda Association, urged "more time" for the study of incorporation.

"I'm making this statement at the request of several of my friends," Morrish said.

"I am deeply disturbed and rather puzzled by the sudden urgency for incorporation. Schools and fire protection are already ably handled. Our crime rate is nil, although police protection is inadequate. Roads are a moot point.

"It boils down to incorporation for zoning.

"I am disturbed by the possibility that we may incorporate before knowing the true costs.

"MUCH HAS BEEN said of the city of Los Altos. But for the city of Newark, the first year's estimated budget was $70,000, while the actual cost was $140,000.

"We are not necessarily opposed to incorporation. But we need more time to study the matter. We should study the costs, and study many cities. We will be glad to sit in on further meetings. But we feel we should not proceed with incorporation at this particular time."

Morrish said that among those who shared his views were William Fleager, Mel Jacobus, Ruth Jacobus, Lonie Bee, Perc Brown, Donald Krotz and Ned de Laveaga.

IN REPLY to Morrish, Pollaczek said:

"We have studied various cities. If what is meant is that we should study the subject for years and years — well, that's what we did two years ago, and nothing happened."

Paul Vashell charged that Morrish "represents the bank and five or six people against incorporation — but I know 100 people for it."

GARDNER ALSO answered Morrish, saying:

"Incorporation will in no way affect the school. As a general law city, the municipality would not change the school district, and, as the incorporation study committee's report states, the fire district would be left exactly as it is.

"Over the past five years I have read perhaps 50 reports from throughout California. This is a good report. As for the budget of Newark — the city council found about one million dollars more in assessed valuation, that they hadn't counted on, so there was a windfall of about $40,000 more in taxes.

"As for services — in the long haul, I believe you will require more services than you are now enjoying — and I believe you can still keep the rural atmosphere. In cities where there is a spirit such as shown by the interest at this meeting, you have excellent service."

REFERRING TO the incorporation study committee's estimate that a tax rate of 32 cents per $100 assessed valuation, along with other sources of income, is sufficient to provide a modest level of services, Gardner called attention to the fact that there is a $1 tax rate limit for general law cities, unless otherwise provided by the voters.

"Timing is important," he declared, pointing out that in order to get on the tax rolls for the 1957-58 fiscal year the new city must be formed by next February 1.

Petitions Next Week--Questions Fly at Meeting

Petitions asking that the Board of Supervisors schedule an election on incorporation of Orinda will be circulated starting Monday "at the latest," Chairman Paul Pollaczek of the Orinda Association's incorporation study committee said Tuesday night.

Pollaczek, who with Ted Sawyer is co-chairman of a recently formed committee to organize the mechanics of the association's drive for Orinda incorporation, made this statement to some 350 persons at the "Town Hall" meeting on the subject of incorporation at Orinda School auditorium.

Pollaczek and Association President Mel Arighi urged Orindans to sign the petitions. They stressed that signing would not mean favoring incorporation, but would merely bring the question to an official vote.

Ted Sanford is chairman of the petition drive.

BASIS of the evening's discussion was the 33-page report of the incorporation study committee.

The meeting was opened by Arighi, who turned conduct of the meeting over to Pollaczek.

Pollaczek introduced invited guest speakers and members of the incorporation study committee. He then went into the background of the situation, stating that the study committee had found the Coro report of two years ago "very valuable" but that "many figures in the Coro report are no longer valid," since population of Orinda is increasing "about 10 per cent a year."

A PRINTED SUMMARY of the report was distributed to the audience, and Pollaczek read from this summary. One of its many highlights was a proposed budget, which was also displayed on a large chart at the head of the auditorium.

Described in the summary as "a typical budget for the first fiscal year of the city's operations and reasonably representative of annual income and expenditures for later years," the suggested budget was:

RECEIPTS

Property tax	$ 63,500
Business licenses	14,000
Sales taxes	10,000
Fines and penalties	9,000
Building inspection fees	15,000
Franchises	5,000
State liquor licenses	2,000
State gasoline tax	49,500
State auto-in-lieu	91,000
State engineering aid	4,000
Federal planning aid	5,000
County highway aid	17,000
	$285,000

EXPENDITURES

General government	$ 33,000
Police	80,000
Planning	10,000
Building inspection	15,000
Street maintenance	71,000
Street construction	51,000
Recreation	5,000
Unbudgeted reserve	20,000
	$285,000

"The $63,500 budgeted as property tax income," the summary stated, "indicates a tax rate of less than 32 cents per $100 assessed valuation, an increase of about 4½ per cent in the total tax bill for most of Orinda."

HERE ARE SOME of the questions and answers at the "Town Hall" meeting:

Question (by Dwight Chapman, in regard to a remark by Arighi that two or three years from now is may be too late for incorporation): "How can it be too late to incorporate in two or three years?"

Answer (by Arighi): "It was felt that there is a large amount of undeveloped land in the areas we are attempting to incorporate — land that the community now doesn't have any control over . . . If we incorporate, it would be possible to set up more rigid controls, depending on what the people want."

Q (RUSSELL USINGER): "If

READY TO TOUR the facilities of the Central Contra Costa Sanitary District Saturday were community leaders from every area of the CCSD. The reason for the tour was to more clearly relate why the proposed $8,900,000 bond issue is needed. From left to right, C. R. Wallace, Tom Shreve, Frank Salfingere, Eva E. Thune, Harold Parker, Larry Pinard, Mayor E. C. Counter, Clea Fuller Mary Dowling, Doris Hazlett, Gertrude Walker, Mel Nielsen, Mrs. Counter, Driver Frank Curtis, in bus.

Civic Leaders Discover Sewer Needs During Tour

Civic leaders from throughout Central Contra Costa County toured the Central Contra Costa Sanitary District's facilities last Saturday and inspected problem points in the area's sewer system.

Among those making the trip were:

Frank Salfingere and Tom Shreve, Pleasant Hill; Charles B. Hahn, Mel Nielsen, Gertrude Walker and Mary C. Dowling, Lafayette; John A. Nejedly, Terence Ring, Larry Pinard, Sherwood Knight, Mayor and Mrs. E. C. (Ted) Counter of Walnut Creek, and Mrs. Allan Fuller and Mrs. T. H. Hazlett, Walnut Creek.

Gene Estes, Sleepy Hollow, and Frank Curtis of Orinda; General C. R. Wallace, Danville; Mrs. Eva E. Thune and Captain Harold Parker, Moraga; and Gerry Horstkotte Jr., District Manager.

Following the tour, Tom Shreve, president of the Pleasant Hill Civic Council, and co-chairman with Mayor E. C. (Ted) Conuter of Walnut Creek, of the Committee for Sewers which is seeking to organize public support behind the proposed $8,900,000 bond issue to be voted upon August 7, expressed concern at public apathy regarding sanitary problems in the area.

"If every resident of the central part of our county could see first hand, as we did last Saturday, the very real problems faced by the Central Contra Costa Sanitary District in providing service for our rapidly increasing population, we would have no worries with regard to the outcome of the August 7 election" Shreve stated.

"It is obvious from our inspection of the existing facilities that the system we have, which was the best the area could afford at the time the district was formed, is no longer capable of handling the tremendous load of sewage produced by a population of some 65,000 people.

"When we consider that the population of the District's ultimate service area, which is now about 150,000 people, will undoubtedly reach 550,000 by 1980, we must realize the imperative necessity of acting now to construct a sewer system adequate to our present and future needs," he claimed.

Citing examples of conditions noted by civic leaders on their tour, Shreve pointed out that the influent main the wet well at the Pacheco treatment plant is now only 39 inches in diameter, while an 87 inch main is required.

Funds provided by the proposed bond issue would correct this and other similar conditions.

Mrs. Tom Hazlett of Walnut Creek, chairman of a women's committee supporting the bonds stated that she was alarmed to learn that in periods of heavy flow, saw sewage is dumped into Walnut Creek at Newell Avenue just south of the city.

"Those of us on the tour were shocked to observe the primitive conditions existing because of our overtaxed sewage facilities," said Mrs. Hazlett.

General Wallace applauded the Sanitary District for its effort to give the area leaders an opportunity to see first hand the problem of sewage disposal in the District.

"It would have been a fine thing if more of our people could have joined the tour," General Wallace stated.

"Due to our rapid population growth, we have real sanitation problems in Central Contra Costa County, and it is imperative that we properly evaluate solutions offered to them. Exposure of the District's problems to public view should go a long way towards eliminating suspicions held by many that District officials are doing other than seeking to solve our sewage disposal problem in the best way they know how," he concluded.

Sewer Commitee member Charles B. Hahn of Lafayette, who spent World War II as a prisoner of war on Wake Island and in Japan, compared the odors surrounding the Pacheco treatment plant with those of prison camp sanitary facilities.

"Those who have been in the Orient will know what I mean," Hahn said.

"The proposed bond issue will provide means of reducing these odors through new equipment which will do a far better job of sewage treatment in a much less offensive manner. As the area grows, this will be increasingly important," he elucidated.

Captain Parker, chairman of the Moraga area Committee for Sewers, declared that the sewer tour had driven home to him the tremendous problem of disposing of the sewage produced by an area such as Central Contra Costa County.

V. P. Nielsens Mark Anniversary in Reno

Mr. and Mrs. V. P. Nielsen, 25 Robert Road, Orinda, recently celebrated their ninth wedding annivrsary in Reno.

They took a round-trip air excursion from the Bay Area to Reno.

'Twas Mild-- Then Overcast

Moderate temperatures prevailed in Orinda during the past week, and yesterday was a bit on the chilly side, with overcast skies giving the appearance of possible rain — and with a definite feeling of moisture in the air at mid-afternoon.

However, up to yesterday afternoon there was no local rainfall recorded for the new weather-year, which started July 1.

The thermometer showed the following high and low temperatures:

	High	Low
July 5	75	50
July 6	80	51
July 7	78	52
July 8	86	50
July 9	68	53
July 10	85	52
July 11	90	53

Board Postpones Quarry Decision For Two Weeks

By SHERMAN PEARL

Decision by the Contra Costa Board of Supervisors on whether to grant permission to A. J. McCosker to operate the controversial Redwood Canyon rock quarry has been postponed for two weeks.

Influenced by the request of Chairman H. L. Cummings to delay rendering final decision on the much-disputed quarry, the supervisors met Tuesday, the day when decision was due, and decided to wait until their July 24 meetting before issuance or denial of the quarry permit.

INDICATIONS WERE, however, that the permit would be granted.

Cummings announced Tuesday that the supervisors would meet during the period of postponement with the District Attorney, the flood conrol engineer, the public works director and the planning director in an effort to establish fair restrictions on the quarry, should the decision favor McCosker, the applicant.

He said the board would reopen the hearing to discuss restrictions only.

The action, however, drew protests from two area residents present at the board meeting, Dr. Mary Bowerman and Mrs. Byron Bole.

Both questioned whether the public would be allowed to be present and take part in the discussions on restrictions. Cummings had announced that the sessions would be private.

MRS. BOLE PROTESTED that "the people want to know your deliberations," but Cummings retorted, "That's not the way we'll do it."

An ensuing discussion of the Brown "star chamber act," passed by the State Legislature in 1953, which prohibits secret sessions of public boards and agencies, brought the advice from District Attorney Francis Collins that the supervisors stop using the word "meeting" when announcing such discussions.

Collins explained, at the request of Supervisor Warren G. Buchanan, that the board's "information" sessions with county departments need not be public meetings, though the board's eventual action must be made public.

County Planning Director Thomas Heaton also spoke up to urge the board to delay their decision for two weeks to permit completion of state park commission studies on proposals for a park in the Redwood Canyon area, which could be affected by the quarry operation.

WILLIAM DRAKE, Northern California representative, had previously stated that the quarry would eliminate any chance the site had of becoming a state park.

Cummings, before requesting delay on the decision to the board, had agreed to ask for the postponement at a meeting Monday night of the Orinda Association Board of Directors, which was at-

(Continued on Page 2)

2-County Transit District Likely; Exclusion Outlined

Means of exclusion from the proposed Alameda - Contra Costa Transit District were outlined today, as it appeared that a required eight cities in the area will approve placing it on the November 6 General Election ballot.

Donald Nisbet, member of the District Organization Committee, told The Sun that each city or unincorporated area which becomes part of the district November 6, and wishes to get out must take steps similar to annexation.

THE REMEDY was unearthed as five cities in Alameda County, and two in Contra Costa went on record favoring placing the transit district on the ballot.

Concord and El Cerrito are for it in Contra Costa, and in Alameda, they are San Leandro, Emeryville, Piedmont, Albany and Oakland.

Walnut Creek was to have decided last night. Richmond and San Pablo will do so Monday.

Though the election concerns the two counties, it is the Alameda Supervisors who will declare an election, if eight of the cities mentioned are in favor.

A simple majority vote in the two counties can create the district. However, those voting must equal two thirds of the registered voters in the proposed district, or there will be no district.

THERE WILL BE a tax, less than one mil, according to Nisbet, to administer the district.

But, the real work of the district cannot begin without a bond issue. That will involve big money.

Another election in the district will be necessary, and this time, a two-thirds majority will be necessary.

How large the bond issue will be is not known, said Nisbet. It will depend on the type of transportation facilities decided upon.

Nisbet indicated that voting will be in "wards," which means that an unincorporated area, like Pleasant iHll, Lafayette or Orinda, may find itself in the district, though a majority of its residents voted against the district.

To get out of the district, or to be included later on, an area must gain a public hearing.

AFTER THAT, a majority of the people in the designated area must favor withdrawal or inclusion, whichever is sought, in a regular election.

Though most of the supporters of the district, which is to bring public transportation to the counties, are from the larger cities and Alameda County, little opposition has been voiced in Contra Costa County, which would be on the "fringe" of the district.

The Hayward Chamber of Commerce this week came out against it, and also against the proposed Nine - County Bay Area Transit District.

But its reason was that other plans, in a "Southern Crossing" proposal, would be of greater local benefit.

Under the Transit District law, the powers conferred by the people in an election, would be great.

IT SAYS, "THE district exists as a separate governmental unit, and is not subject to the control or jurisdiction of any municipality and is governed solely by the State statutes.

"It can sue and be sued in its own name, has the right of eminent domain and in general has all the rights, powers and privileges of an incorporated city.

The district may acquire, construct, own, operate control lease or sublease rail lines, bus lines and any other facility necessary or convenient for transit service within a district.

"The district may enter into joint agreements with a public utility agency or city, for establishment of through routes, transfers, joint fares, etc. . . ."

Old Rail Lines To be Abandoned

The old Sacramento Northern Railway is finally going to be abandoned.

The Interstate Commerce Commission in Washington, D.C., has authorized the railway to abandon its 18 miles of track from Lafayette, through Moraga and Canyon into Oakland.

The abandonment of the Sacramento Northern comes along with the desertion of some Key System tracks which run into the Sacramento Northern tracks at 40th Street and Shafter Avenue in Oakland.

To compensate for the abandonment plans, the ICC authorized construction of two miles of track in West Oakland to connect the Oakland Terminal Railway tracks with Western Pacific Railroad tracks.

Under the new transportation system, freight from Oakland industries will travel to Sacramento by Western Pacific and Oakland Terminal lines. Freight from industries in the Contra Costa County areas will be loaded at Lafayette.

The Sacramento Northern's franchise expired in 1946 and the company has never asked for a renewal.

Commuter Group, Council Hear New Authority Plans

By NORMAN COLBY

Public debate on the proposed two-county transit district was held before the Contra Costa Commuters Association Tuesday night, and was scheduled by the Walnut Creek City Council last night.

The Commuters Association which heard heated arguments pro and con at Acalanes High School, reserved a decision until the next meeting, August 14.

This decision may have great influence on central county voters if the matter gets on the General Election ballot in November.

THE CENTRAL COUNTY would be in the furthest reaches of the transit district which is to provide feeder and local service, replacing private transportation.

The Walnut Creek Council is one of 16 councils which have been asked to vote for the placing the proposal on the November ballot. And it is the only council in the central county.

The Board of Supervisors in Alameda County will place it on the ballot, if eight of the cities so desire.

In favor of the district at the Acalanes High School meeting Tuesday was Donald Nisbet, member of the East Bay Transit District organization Committee.

He said, "It is not an idle threat that you may have no transportation next year, with Greyhound resistance to extending its services."

Marston Campbell, San Francisco attorney, spoke in opposition.

Though no vote was taken, the reaction of the Association members afterwards varied from optimism to general dubiousness.

CHAIRMAN GEORGE Cummings said that, "Whatever the outcome, the answer is some sort of public transportation.

He added, "The trend is towards public utility ownership, with the taxpayer paying."

This was in reply to Campbell's question, "Have you asked the Key System to take over? Isn't that one solution?"

One member stated that, "There would have to be some compelling necessity for this district, and I'm not sure there is one."

Others felt that the two-county system, which would reportedly be a preliminary to the Nine-County Transit System, and might be bought out by the larger enterprise later on, is the only solution.

CAMPBELL, WHO freely offered that he had some financial interest in Oakland downtown parking, stated that in the past, the Key System, serving Alameda County, has been "persecuted."

He also branded the transit district as a "nebulous thing, years in the future."

"Look at the San Francisco system. Its been running for years, tax free, and is still $5 millions in debt."

"We would just be adding another subsidy burden on the government. These agencies are free of federal and state taxes and still have operating deficits."

HE CONTINUED, "Wherever I see these underground, and monorail systems, there are great concentrations of population, hundreds of thousands within a few square miles, as in Tokyo, New York, Madrid.

"But when you drive out from upper Broadway, the population becomes sparing, in keeping with the garden area atmosphere.

"The lack of density is a big factor. Also, there is a joint use of the highways that makes them more economical than it appears. The fast and slow traffic, trucks, cars, and so forth, all accomodate to varying speeds."

"This promise of utopia is far, far, off."

Campbell pointed out that with the highways, the cost of building and maintaining them falls largely on the motorists who use them the most, but with the transit districts the cost falls on property owners, many of whom may use highways very little.

WHEN ASKED if assessments might suffer in the downtown areas of Oakland and other cities without a new transit system, Campbell replied, "It is the down town groups that are promoting the transit district! They will get the benefits, while the taxpayers will get the bills!

"And all the while, the trend is towards expansion of shopping developments into the suburbs."

Campbell said that he is not associated with the Key System which serves Alameda County, in any way, and would not accept a position with the company. But he said he favored giving the Key System "a break."

"They have been persecuted in many instances," he declared.

A question by Campbell, whether Contra Costa had petitioned Key to take over in this area, brought brief laughter from some hearers.

Attorney Nisbet commented that most of Campbell's arguments were directed against the proposed Nine-County Transit System. Since it was not decided just what means of transportation would be used in the two county district.

Campbell insisted, however, that his remarks applied to both.

NISBIT OUTLINED the two-county proposals.

"A vote in November will only create or turn down the district, and elect directors," he said.

"A bond issue would have to be voted upon later, when it is decided what form the transportation would take — monorail, electric buses, or other means.

Should the district be created, there would probably be less than a mil tax, bringing about $750,000 to staff and administer the district. This would continue even though a bond issue fails. In that event, there would be new plans made up, and new bond issue proposals.

"THE ASSESSED valuation of the district is about a billion and a half dollars, so it would be very litle out of the taxpayer's pocketbook to administer the district."

"As for the bond issue, it will take a two-thirds vote to put any money appropriation into effect."

"The costs will be born mostly by Alameda County, since its assessed valuation is about $1,019,000,000 while that of Contra Costa County is only $425,000,000. That's a 5 to 2 ratio favoring

In answer to questions, Nisbit said that there is no tax limit to be set, since "Where that's done, they always shoot for the limit."

HE ADDED THAT another provisal has been altered. It originally made the local district completely independent of the Nine County System, and not subject to inclusion in it at a later date.

In the event of a strike, it was explained, there would be mediation between representatives of the union and the district, with an outside arbitrator called in if necessary.

Other coments by Nisbit were as follows:

"Seven cities have ok'd it. It seems certain it will go on the November ballot.

"It is the opinion of experts that it wil not interfere with the Nine County System.

"As San Francisco plans to modernize and integrate with the Nine County System, so must we.

"Private capital is not capable of doing the job.

"GREYHOUND HAS shown it does not want to extend service. Caring for only 18 per cent of the peak traffic from here to Oakland the West Bay, it is a poor substitute for a good system.

"Fares will soon be up 43 per cent in the Marin area.

Present at the meeting were President Cummings, Lafayette, Vice President Douglas Buffington, Lafayette; Secretary Douglas Rathke, Alamo; Stanley Ahlborn, Walnut Creek, Douglas Kelly, Lafayete, Clyde McDonald, Orinda.

Also Ray Smith, Concord, Leroy Sowers, Lafayette, Richard Fredena, Lafayette and Gerald Trumbly, Orinda.

Cummings announced that he will soon make his new residence in Los Angeles, and members decided to meet under the direction of Vice President Buffington until next year.

Teenagers, Homeowners 'Get Together' in The Sun

There are a lot of pleased teenagers — and lots more pleased homeowners in the Central Contra Costa area since The Sun inaugurated a special policy of running free work-wanted classified ads for teenagers.

Many homeowners have found a previously unexplored pool of talent which is busily washing windows, cleaning up gardens, weeding, baby-sitting and taking care of the hundreds of household chores which plague Mr. and Mrs. Suburbia during the summer.

The teenagers have expressed satisfaction with the policy, too, and many of them are turning their otherwise unoccupied summer hours into profitable working time.

HERE IS THE way the system works, for any teenager who wants to take advantage of the opportunity.

The Sun will accept a 14 word ad from any teenager, in person, at any one of The Sun offices — 12 Vivian Drive, Pleasant Hill, 1320 Locust Street, Walnut Creek or 1000 Orchard Road, Lafayette.

Each ad will be published at least twice in the five Sun papers — The Orinda Sun, Lafayette Sun, Walnut Creek Sun, Pleasant Hill Sun and Sun Shopping News. Ad copy must be in the office by 3 p.m. Monday the week of publication.

THE WANT-ADS have achieved very satisfactory results for teenagers who have already taken advantage of the offer, and many have found themselves booked up solid as the result of one ad.

Of course, The Sun can't be responsible in any way.

If you are a homeowner, why not look around and see if there aren't a few jobs that an enterprising and willing teenager can perform for you. You might be surprised at the quality of work you get, and you will be helping out some youngster who can use the money.

Incorporation Petitions Coming Up Next Week

(Continued from Page 1)

we incorporate by next January, would we have any control over PIE — or would that continue the way it is now?"

A (Pollaczek): "Our recommendations in no way whatsoever were based on PIE." — (Gladys Schwatka, association legal counsel): "If an area becomes incorporated, all land in that area is under the jurisdiction of the city council." — (Arighi): "It would depend entirely on what would happen to that land between now and the time we incorporate. If the current suit is won by PIE before then, they could go ahead and build. If the matter is still before the courts, we could do something about it."

Q (Leo Alexander, to County Public Works Director Victor W. Sauer): "If Orinda incorporates, would your department favor entering a contract with Orinda for road work?"

A (SAUER): "That would be up to the Board of Supervisors." — (Howard Gardner, associate director, League of California Cities): "The contract would be with the county, through the Board of Supervisors."

Q (G. M. Heinrici): "Where are you going to buy the parcel of land and where are you going to find the quarter-million dollars so as to have facilities to handle the city government?"

A (Pollaczek): "We don't feel any immediate need, for at least the first three or four years, to have quarters other than rented."

Q (DR. RALPH C. HALL): "What is the possibility of East Bay Municipal Utility District, for example, petitioning to be excluded from our incorporation?"

A (Gardner): "I question whether EBMUD would have any legal reason for requesting exclusion from the city of Orinda." — (Pollaczek): "EBMUD property is not on the tax roll, so EBMUD could not plead hardship."

BRAKES NEED BREAKING IN

The brakes on a new car or on a car that has been fitted with new brake shoes or linings should be broken in correctly. This is done by applying the brakes moderately for several days until they are nicely burnished. Severe application of the brakes may permanently injure new linings and may score brake drums.

Fire Officers Exchange Seats

When the annual elections of officers of the Orinda Fire Board were concluded after the board meeting June 28, all three of last year's officers were again on the slate, but their positions were slightly juggled.

Zach Montgomery, vice-president of the previous board, took the reins of presidency from Gilbert Earle, but Earle was elected vice-president.

Clarence Betz was re-elected secretary of the board.

The next fire board meeting will be held on July 26.

Inspection Tour Gets Cooperation Of City Officials

Although Walnut Creek is no longer regarded as a "hot prospect" as a site for a giant Veterans Administration Hospital, its surrounding area in the central counsy still is, and location "will very likely to be as near to the original Orinda site as possible."

These were conclusion by Walnut Creek Mayor E. C. Counter and other officials today, after they were hosts to Col. R. M. Edgar, Veterans Administration assistant administrator for construction and his party, which made a detailed inspection of the city, and its surrounding lands.

COL. EDGAR and Sam Franks, manager of the V.A. Hospital in Oakland appeared at the Walnut Creek city hall Wednesday night, and after a welcome and a few questions by reporters, were taken to dinner by city councilmen and staff members.

Edgar made it clear that a site has not been picked, that no decision will be reached until he reports to superiors in Washington, D.C.

He announced, "We have no place in particular in mind. We are interested in this area among others."

He told The Sun, however, that "we want to build this hospital now!" indicating that the word may be forthcoming soon. It will take about one year to complete plans for the hospital, and two years to build it.

THE PRESENT V.A. hospital serving the East Bay is in the old Oakland Hotel.

Discussion at the dinner revealed that Edgar was looking for about 20 acres, where there are utilities available, especially water, sewage and transportation facilities.

Councilman James McAdams, aside, commented that "This makes it doubtful for Walnut Creek, for we don't have 20 suitable acres to offer within the city limits, or nearby."

On the following morning the visitors returned to the city hall, and were provided with full information by Counter, City Engineer Larry Milnes and City Manager Ira Gunn.

They inspected maps, were driven about the city, and were even to visit the Flood Control District office, which has diagrams including Lafayette and unincorporated areas.

THE PARTY LATER traveled to Martinez. Before coming to Walnut Creek, tours of the Pleasanton-Sunol areas were held.

"Edgar thanked us for our help, and the parting was very cordial, but the attitude on both sides was neutral," commented Counter.

"There is no place to put the hospital within Walnut Creek, but I believe that they will want to put it as near to their original site in Orinda as possible.

"Orinda is the hub of their search area. And wherever the hospital goes, the impact will be great, should this county be picked."

The visiting party included Edgar, Franks, J. E. Hall, civil engineer for the V.A., William Bowie, V.A. chief of real estate division, Dr. L. S. Woodworth, area director, professional services for the San Francisco V.A., and C. E. Addleman, of the Oakland V.A. Hospital engineers office.

DINNER HOSTS Wednesday night included City Councilmen McAdams and John Connolly, Planning Commission Chairman Roger Guichard, Dean Spurgeon, president of the Chamber of Commerce, City Attorney John Nejedly, City Manager Gunn, and Mayor Counter.

Several months ago, the Veterans Administration announced that it would build the 500 bed hospital near Miramonte High School in Orinda, but vigorous opposition delayed those plans.

Since then, cities in both Alameda and Contra Costa Counties have been eagerly bidding for the new building.

Supervisors Delay Verdict On Quarry Until July 24

(Continued from Page 1)

tended by more than 35 residents of Moraga Woodlands and Lost Valley.

According to Mrs. Claire Ward, Orinda Association secretary and organizer of the Monday meeting, Cummings was influenced in his action by the evidence presented to him that the proposed quarry site could be seen from homes in Orinda.

Cummings stated that he "didn't know the quarry could be seen from Orinda," Mrs. Ward reported.

Protests that had been deluging the supervisors since the application was submitted were reiterated at the association meeting. Home owners claimed that some of the residences are within one-half mile of the proposed quarry site and that prevailing winds would carry noise and dust toward their homes.

THEY INSISTED the project would be detrimental to their property values.

McCosker, whose quarry application precipitated the controversy, told the assembly that a "little blasting might be necessary" in the quarry operation.

This brought a request from A. M. Arighi, Orinda Association president, that Cummings insure that blasting be banned. Arighi claimed that McCosker had previously stated that blasting would not be needed.

Cummings agreed to "take another look" at the site.

He preceded this, however, with the comment that "Somebody's stirring up a lot of discontent and unhappiness over this. Somebody's leading it," he stated, "if that isn't pressure, I don't know what is."

"I DON'T KNOW WHY, all of a sudden, the people of Orinda protest everything that comes up," the supervisor continued. "I hate to say this, but you are the laughing stock of the county."

Mrs. Ward, commenting on Cummings' remarks, told The Sun that "Cummings seemed to be upset that people were protesting."

"There has been an upset," she claimed, "because people feel that the quarry would be too close to the park site. The meeting Monday was held because the people had not met before, and they gave the views they didn't have a chance to give at the public meeting."

The association secretary was referring to the public meeting held June 19 by the Board of Superivsors to discuss the issue.

Planning Commissioner Joseph DeCota of Orinda explained that the commision had recommended approval of the permit after deciding the quarry would not create a hazard or be detrimental to the health, welfare and safety of the people and would not depreciate property if properly regulated.

ACCORDING TO Mrs. Ward however, DeCosta admitted that the Planning Commission did not go all the way to the top of the ridge on which the quarry would be operating when they surveyed the site before making recommendations to the Board of Superivsors.

The commission had been assigned by the supervisors to visit the site on June 15.

DeCosta said he would suggest six stipulations to the board if it grants approval. They are:

1. That the site be surveyed so that operations could be confined within certain limits.
2. That excavation start at the top of the 1450-foot knoll and be taken down and leveled in 25-foot stages.
3. **THAT BLASTING** be confined between 8 a.m. and 5 p.m., Monday through Friday.
4. That rock crushing and other operations be confined to the Canyon side and not be visible from Orinda.
5. That all operations be limited to the Canyon side.
6. That excavation be limited to between 7 a.m. and 7 p.m. Monday through Friday.

Much concern was expressed by objectors over the roads McCoskes would use to transport his rock goods into Oakland. With the proposed freeway the obvious future route, McCocker said that he intended temporarily to ship through Redwood Canyon.

HIS OPPONENTS stated that there are only two roads leading from the quarry at present, Lost Valley Road and Redwood Canyon Road, and that a bridge on the latter has a 10-ton limit.

Cummings said the county could reinforce the bridge if necessary.

DeCosta also commented that there is "a dire need for good rock in this county."

McCosker has proposed to use surplus gravel and rock from leveling of the knoll to terrace his property for building sites.

The site extends northeasterly from Pinehurst Road near the east portal of the Sacramento Northern Railway tunnel to the ridge of hills behind Lost Valley and overlooking Moraga Valley.

Rheem Blvd. Gets Speed Limit Cut

At the recommendation of the county public works department, the Board of Supervisors Tuesday decided to reduce the speed limit on Rheem Boulevard from 40 to 35 miles per hour.

County Public Works Director Victor W. Sauer had reported to the board:

"At the request of residents on Rheem Boulevard, an investigation has been made of the 40-mile-per-hour speed limit recently posted on Rheem Boulevard, and it was found that, due to the development in this area, a lower speed limit is indicated.

"It is, therefore, recommended that an ordinance reducing the speed limit on Rheem Boulevard to 35 miles per hour be adopted.

Firm Initiates Construction on CCCSD Office

Contract for construction of its new office building was awarded on July 5 by the Central Contra Costa Sanitary District at the meeting of the Board of Directors.

The construction firm of Eric F. Anderson Inc., of Oakland, was given the contract at the Thursday night meeting on the firm's low bid of $113,890.

With the present sanitary district office building located at 1822 Mt. Diablo Boulevard in Walnut Creek, the new structure is to be built on Springhill Road near Mt. Diablo Boulevard in Lafayette.

Initial stages of construction on the functional one-story structure were begun this week, and work is expected to be completed by November.

Sailor Learns Duties

Learning the duties of a junior officer aboard the destroyer USS Perry is Midshipman 3/c Charles W. Blount, of the U. S. Naval Academy.

He is the son of Mr. and Mrs. John P. Blount of 56 LaCresta Road.

OGDEN'S TWEEN TOGS
In the Village, Orinda

Annual July Clearance
SALE STARTS 9 A.M. THURSDAY, JULY 12

CALLING ALL GIRLS! SHOP NOW FOR BACK-TO-SCHOOL THREE MORE MONTHS OF SUMMER

DRESSES--SKIRTS--BATHING SUITS
GIRLS' SIZES 7-14, SUB-TEEN, JUNIOR MISS 5 TO 15. MISSES 8 TO 16
WERE $3.98 to $19.98 ..... NOW $2.98 to $14.98

DRESSES - SKIRTS
SELECTED BUYS! ..... 1/2 OFF
SPECIAL RACKS ..... $2 $3 and $5

PLAYCLOTHES
PEDAL PUSHERS, SHORTS, BLOUSES and T-SHIRTS
GIRLS' SIZES 7-14, SUB-TEEN, JUNIOR MISS 5 TO 15. MISSES 8 TO 16
Were $1.98 to $7.98 ..... NOW $1.69 to $5.98
SELECT FROM VALUES TO $4.98 ..... $1 TABLE
SELECT FROM VALUES TO $8.98 ..... $2 TABLE

SLEEP-WEAR
PJ'S, BABY DOLLS, WALTZ LENGTH GOWNS FULL LENGTH SEERSUCKER GOWNS
GIRLS' SIZES 8 TO 16, PRE-TEEN AND MISSES
Were $2.98 to $5.98 ..... NOW $2.39 to $4.49

JEWELRY - ACCESSORIES
Values to $1.98, NOW 59c or 2 for $1.00

ALL LEATHER PURSES
Were $2.98, for this sale $1.00

JACKETS
WIND BREAKERS IN DAN RIVER POPLIN
CORDUROY and PLASTIC JACKETS
WERE $4.98 to $8.98, NOW $3.98

CALLING ALL BOYS! SHOP NOW FOR BACK-TO-SCHOOL THREE MORE MONTHS OF SUMMER

CLOSE OUT!
GABARDINE JACKETS—CORDUROY SPORT COATS
BROKEN SIZES 10 to 20
VALUES TO $12.98 ..... NOW $5

Corduroy and Flannel Shirts
For camp and back-to-school
Sizes 8 to 20
Were $2.98 to $8.98 ..... NOW $2.29 to $5.98

Bathing Trunks
Sizes 8 to 20
Were $1.98 to $4.98 ..... NOW $1.69 to $3.98

Knit T-Shirts
Gauchos, stripes, fine combed cottons. 8-20
Were $1.69 to $3.98 ..... NOW $1.39 to $2.98

Wind Breakers
Dan River Poplin, dark colors. 8-20
Were $4.98 to $6.98 ..... NOW $3.98

Famous Brand Jeans
Close Out! Fine quality.
Sizes 7 to 12
Were $2.98 ..... NOW $2.29

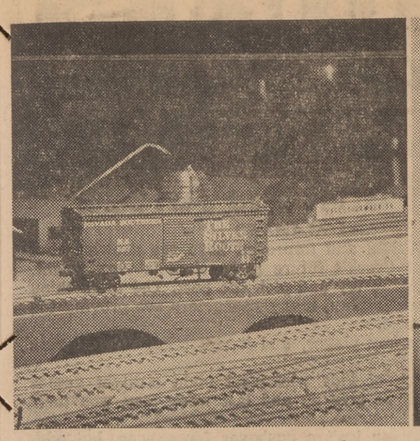
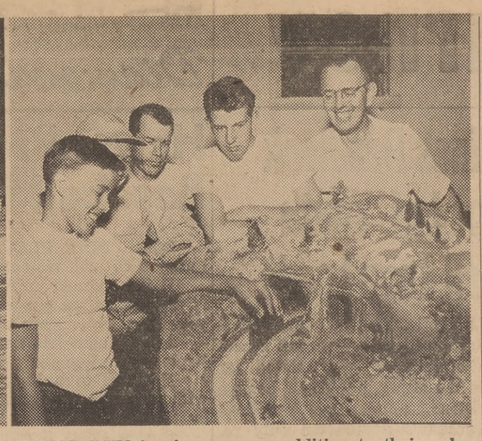
ORINDA HARDWARE
56 Orinda Highway, Orinda CLifford 4-2585



CAREFULLY CONSTRUCTED to be an exact miniature of a typical boxcar of The Silver Route, this model is a new possession of the Walnut Creek Model Railroad Society. It was sent by a friend in Ohio who attended one of the local meetings.



TRIAL RUN is given a new addition to their collection by member of the Walnut Creek Model Railroad Society. It comes from a compatriot from Ohio, who recently visited here, and admired the local program. The group meets each Friday night at the Southern Pacific Depot, Walnut Creek. Left to right are John Barber, Hank Bashford, Dave Westcott, Dick Anderson, and John McKirahan.

Mystery Freight Car Seen On Miniature Railroad

A strange box car from Detroit was found on the Diablo Valley Lines model railroad in Walnut Creek the other day.

It was a maiden freight car, shiny with new paint, and lettered for the Nevada Southern R.R.

Although the stencil on one side showed it had been built new in June it already had been chalk-marked by hoboes.

Superintendent Hank Bashford of the Walnut Creek Model Railroad Society first noticed the wandering car on the tracks. He asked Dick Anderson, Dave Westcott, club secretary John McKirahan and junior member John Barber if they knew anything about it and they were equally puzzled.

Then someone remembered that visitor from Detroit who had inspected the club railroad two months ago and the national roster of model railroaders was checked.

Sure enough, The Nevada Southern R. R. was found registered for Neil F. Schaberg, 15720 Minock Ave., Detroit 23, Michigan, and its slogan was The Silver Route.

It was further recalled that Schaberg during his visit told club president Ew Nevins that the Diablo Valley Lines seemed to need a few interchange cars and maybe he could do something about it.

Nevins, now on vacation, could not be reached to verify the recollection. On his return it is expected the entire mystery will be cleared up.

The members are pleased to have a realistic token of friendship from such distance and are now considering the possibility of building a new Diablo Valley Lines car to send to Detroit, said Nevins.

The car will be on display with the club trains July 27, the next regular showing of the model railroad.

Martinez Roundup . . .

Piledriver Strike Halts Much Work in County

Work on many road and construction projects in Central Contra Costa County came to a halt Wednesday as the Pile Drivers and Bridge Builders Union added to the tieup started Monday when Bay Area carpenters went out on strike.

The piledrivers stopped work yesterday under a no contract-no work policy as wage negotiations were stalemated.

The carpenters are seeking a 25 cents an hour package increase with 15 cents going for wages and 10 cents for vacations. The contractors have offered 12½ cents an hour.

Sanitary Staff

Dr. H. L. Blum county health officer, told the board of supervisors this week that sanitary inspection in the county has reached a new low and will become worse before it improves.

The statement came as Blum renewed his request that the board add to his staff of sanitarians and the board has agreed to meet with him soon in Pittsburg to discuss the situation.

As a temporary measure the board authorized a procedure for holding public hearings on apparent violations of State health regulations. Violators will be cited to appear before Dr. Blum or Chief Sanitarian Thomas McMorrow and a deputy district attorney.

Public swimming pools were inspected once each week last year, Dr. Blum said, but they will be inspected only every other week this year. Schools will get top inspection priority, he said, but they will be inspected less frequently next fall unless the staff is increased.

Health Building

Work started Wednesday on the new $499,350 Contra Costa County Health Department building at Ward and Pine Streets in Martinez.

Ground was broken by the board of supervisors Tuesday and completion is planned for next April 1.

The building was designed by Architect Jack Buchter of Orinda.

No Tax Relief

The county board of supervisors ruled this week that the county cannot grant tax relief to farmers in areas being invaded by industrial, commercial or residential development.

The board sitting as a County Board of Equalization, rejected the appeals of four Antioch-Oakley area ranchers who protested increases of up to 800 per cent in the assessed values of their 231 acres.

Trench Cave-in Kills Man; 3 Fellow Workers Escape

Collapse of tons of dirt in a 14-foot trench near Acalanes High Tuesday took the life of one worker and bludgeoned three others who escaped with their lives.

The sewer trench excavation collapse on Victory Lane, half mile southeast of the school, proved fatal to Percy Parker, 43, of Richmond, who remained buried for five hours while fellow employees of the Frank Beach Construction Company labored with shovels to extricate the body.

Parker and three companions—Charles Sperbeck of Concord, R. D. Battle of Pittsburg and Murphy Wright of Richmond — were following up a huge ditch digger, which was digging the verticle ditch for a 10-foot main of the Central Contra Costa Sanitary Distriet, when the accident occurred about 11:30 a.m.

According to observers, the earth gave way on one side of the deep trench and Parker was trapped. The three other men were able to escape because they were higher up, bracing the sides of the newly-dug trench with wood planking.

Wright, after his escape, commented:

"Percy never had a chance. The dirt gave way without warning."

Efforts of workers with shovels to reach Parker proved successful after nearly an hour of digging, when they finally reached his head. Firemen of the Lafayette Fire Department, who were called by Sperbeck after he was able to climb out of danger, used portable oxygen units in a vain effort to revive the victim.

While still buried from the neck down, Parker was pronounced dead shortly after by Lafayette physician Dr. K. W. Caldwell, who had to creep the length of the trench under shoring braces to reach the victim.

Although only the head was uncovered at that time, Dr. Caldwell said death resulted from a combination of smothering by the heavy clay and crushing by the dirt.

Parker's body was finally extricated at 4:30 p.m.

Dancers Assemble

The Jills and Jeans Square Dance Club held a dance recently at the Pacifica High School Gym, West Pittsburg. Dancers there as guests included Effie and Art Snashall, Mr. and Mrs. Frank Rossi, Delores and Don Hayward or Lafayette.

Frame Specialist Will Speak at Valley Art Center

"Framing, Right and Wrong" will be the theme of an exhibition and lecture to be held tomorrow at 4 p.m. at the Valley Art Center, 3420 Mt. Diablo Boulevard, Lafayette. The exhibit will consist of 32 paintings.

Joseph Collins, West Coast representative for the House of Heyendryk of New York, London and Amsterdam will be the speaker.

He will discuss the history of hanging and framing pictures, and demonstrate the framing of both modern paintings ad traditioal ones.

Collins, Vienna born and educated, had his academic training in the traditional methods of portrait painting.

From Vienna he traveled to Paris, where he became interested in the post-impressionists, abstract and modern schools.

Thence, he came to America where he secured his M.A. at the University of California, Berkeley. Presently, he is doing creativ paiting as well as representing the House of Heyendryk. He is interested in framing and any related subjects.

Degas said, "The frame is the reward of the artist." So an appropriate frame would be one which must protect the painting; it must limit it, according to its own intention, and separate it from its background; it must remain harmonious and unobstrusive not to interfere with the picture.

The Diablo Art Association and the Valley Art Center, co-sponsors, invited the public to attend.

Hearing on Boys' Immorality Asked

Three local teenage boys, who last week were cited by juvenile authorities for immorality and delinquency, have been referred to the Juvenile Probation Office for disposition by Bela Clark, chief juvenile control officer for the county sheriff's office.

THE YOUNGSTERS, two 14 and one 16, appeared before Clark Tuesday afternoon with their parents, in whose custody they had been assigned. In the informal hearing, the circumstances of a recent incident in which the boys engaged in immoral conduct with a 14-year-old girl were discussed and clarified.

According to Clark, the boys were referred to the juvenile office in Martinez with his recommendation that a hearing be arranged in the juvenile court.

The incident occurred in a vacant two-story house in back of the House of Mufflers in Lafayette, where the boys and the girl committed the illegal acts under the influence of alcohol, Clark stated.

The juvenile officer said that he had three recourses following Tuesday's hearing.

1. **TO REPRIMAND** the boys and relase them.
2. To put them in custody of the juvenile authorities.
3. To refer them to the probation office and replace them in the custody of their parents.

Clark felt, due to the "serious nature of the case," the last choice, along with his recommendation for a hearing, was most appropriate. Each of the boys, the officer revealed, would have a separate and individual hearing.

The young girl also, Clark continued, would be given a hearing.

She has been placed in custody of the juvenile authorities, the juvenile probation office had stated, pending the hearing and disposition. The office revealed that it had petitioned the juvenile court for state wardship of the girl.

Clark emphasized that the girl had been held in custody because of other extenuating circumstances in her case.

Supervisors are Board of Equalization Until Monday

In Planning Contra Costa County's finances for 1956-57, the Board of Supervisors has three principal factors to deal with. They are as follows:

County budget requests of $27,643,463, showing an increase of $2,816,881, or 11.35 per cent over the last fiscal year.

A county assessment roll valueing local properties at $503,597,645, a net gain of $17,606.948 over last year, according to a report submitted this week by the County Assessor's office.

A VALUATION of utilities within the county, estimated at $130 millions, to be determined by the State Board of Equalization this summer.

The end product will be a county-wide tax rate, which is anticipated by the County Taxpayer's Association to be higher than last years $2.03 per $100 valuation.

It could possibly go up some 46 cents, the Assocation reports stated.

The alternative, says the Association, is firm "control" measures, snce new requirements are likely to outsrip any modest increase in tax base.

THE BOARD of Supervisors has been as a board of equalizatio. It will sit as such through Monday to hear protests from assessment rolls.

Protests must be submited in writing before the hearing, according to County Assessor Frank Dunklee.

After that, assessment rolls will be adjusted, and departmental requests will be furthered studied.

A final tax rate will be announced in September, after the State Board of Equalization announces appraisals of public utilities.

DUNKLEE THIS WEEK said that the net property value in the county is figured after exemptions totalling $35,882,795 are subtracted.

These include churches, veterans, educational and other organizations.

Because of the 35 per cent general increase in assessed valuation ordered by the State Board of Equalization which did not affect the assessment rolls again listed, the increase in net valuation is "practcally" about $37 millions, said Dunklee.

THERE WILL be a great increase in assessed valuation next year, due to the construction in the eastern portion of the county, which started after March 1, too late for the current calculations, said Dunklee.

Dunklee has estimated an increase of five per cent this year in public utility assessments.

Local assessed values, and their net gain or loss are as follows:

Lafayette School District, $22,331,795, up $2,442,144; Moraga District, $1,685,335, up $551,966; City of Walnut Creek, $11,529,400, up $3,241,892; Alamo District, $5,321,380; Orinda Union District, $17,841,260, up $1,583,254.

San Ramon District, $1,467,360, up $13,284; Walnut Creek District $14,965,625; down $68,540; Danville Union District, $8,917,605, up $633,694.

DUE TO SALARY increases, and a welfare plan for county employees, the actual budget requirements wil be about $28,265,659, nearly a $1 mllion higher than the departmental requests, estimate the County Taxpayers Group in a report. This is a 13 per cent increase from last year.

These and other figures bring the group to conclude that there will be an increase in the tax rate up to 46 cents. The report states:

"It is estimated the 6 per cent salary increase will add $526,196 to the budget requirement while the welfare plan, based on 2000 employees at $48 a year per capita, prduoces a contingent taxpayer responsibility of approximately $96,000 a year.

"These factors, added to the Departmental Requests, produce a budget requirement of $28,265,659, an increase of $3,439,077, or a 13.85 per cent increase.

"COUNTY DATA discloses a salary and wages account of $9,392,128, an increase of $1,408,464 with 6 per cent salary adjustment and welfare plan.

"The maintenance and operation account at $14,596,853 is $487,207 above the level of 1955-56, while capital outlay at $4,268,678 is $1,543,406 higher than for the current fiscal year. . . .

"We note that the secured tax rate would increase from $1.951 to $2.534 if the secured and unsecured valuations remained at the same level as for 1955-56.

"This would repreesent an increase of 29.8 per cent. If a 5 per cent increase in valuations were enjoyed, an estimated $2.412 tax rate would be required, 'an increase of 46.1 cents, or a percentage increase of 23.6.

"With an assumed 10 per cent increase in valuations the rate would advance to $2.30, or an increase of 34.9 cents, amounting to 17.9 per cent.

"UNDER THE MOST optimistic of assessed value outlooks, a 15 per cent increase in the asessment roll, a tax rate of $2.198 would be required. This is an increase of 24.7 cents or 12.7 per cent.

"Thus it may be seen that additional financial requirements as represented by the Departmental Requests are not likely to be offset in their entirety by new valuation; and this, we believe, truly reflects the scope of the problem the Board of Supervisors is tackling.

"Reduced to its simplest terms some control of the expenditure program must be made if a tax rate increase is to be avoided, despite the outlook for some modest increase in the tax base.

Hearing Denied Pets and Pals

Pets and Pals, the Lafayette animal shelter, has been refused a hearing on its protest on the county decision that it is not entitled to a welfare tax exemption.

Mrs. Douglas A. Sargent of Oakland, president of the organization, had filed the protest with the County Board of Supervisors on the grounds that the organization was a charitable non-profit corporation and entitled to the tax exemption.

Acting on the opinion of District Attorney Francis W. Collins, the board turned down the appeal.

County Assesor C. L. Dunklee said the exemption was denied on advice of the State Board of Equalization, which ruled that Pets and Pals property was not used "exclusively for religious, hospital or charitable purposes," as required by law.

He revealed that Pets and Pals property was assessed at $6,340.

Mrs. Sargent denied that the property purchased last year at 3338 Mt. Diablo Boulevard was used for anything but the "sole purpose of Pets and Pals' charitable, non-profit activities."

"These activities," she declared, "are taking in homeless animals, feeding and caring for them, including veterinarian care, finding homes for them if possible and training children, adults and their pets."

"Children are trained to be kind to all life," the organization's president added. She stated that this was "one of the finest character building programs to combat juvenile delinquency."

"I won't take this sitting down," she stated after the supervisors' denial. "I'll go to Gov. Goodwin J. Knight if necessary."

WEARINESS

Two enemies of safe driving are weariness and worry. Weariness slows down reaction time and worry affects concentration. You can't always stop worryink when you get behind the wheel of your car, but you can take a rest if you're weary. Give yourself a break, don't drive when you're tired.

DA Rules Quarry Ruling Sessions May Be Closed

Protestors of the Redwood Canyon rock quarry have been demanding in vain that they be allowed to have a voice and an ear in the discussions on restrictions on the quarry operation.

The Board of Supervisors is planning with other county officials before rendering decision on the quarry application July 24.

According to District Attorney Francis W. Collins, the supervisors do not have to meet in public when "seeking information," which the supervisors claim they will be doing.

Collins ruled at a supervisorial meeting Tuesday in response to a request by the supervisors asking if their proposed meetings with officials of the Public Works, Planning, Flood Control departments and the district attorney on the restrictions question would have to be open to the public.

Dr. Mary Bowerman of 970 Second Street, Lafayette, and Mrs. Byron Bole of 15 La Encinal, Orinda, had asked that protesting landowners in the area surrounding the quarry site be allowed to attend the discussions.

The district attorney denied that the board could not discuss such matters with county officials "without inviting everyone in the county to attend."

He added that such closed sessions did not constitute violations of the Brown Act, which prohibits secret sessions of public boards and agencies. He advised the supervisors, however, to stop using the word "meeting" when announcing such discussions.

"Use of the word 'meeting,'" he said, "raises in some minds an immediate question of a violation of the Brown Act."

Collins stated that the ,act which was passed by the state legislature in 1953, did not deprive the board of its "right to visit or discuss" problems with departments concerned.

5 Groups Ask More Study of Freeway Routes

The County Board of Supervisors was urged Tuesday to request the California Highway Commission to conduct a study of the four proposed routes of the western leg of the Shepherd Canyon Freeway on "community values."

The request was by the presidents of five improvement associations in the Moraga Valley - southern Orinda area.

It was in the form of a letter signed by Presidents Lloyd MacDonald of the Lincoln Estates Improvement Association, George H. Driscoll of the Moraga del Rey Community Association, Leonard C. Brown of the Ranchitos de Moraga Association, F. L. Brown of the Lost Valley Community Association and H. C Ruppenthal of the Inland Valley Improvement Association

THE LETTER, dated Monday, asked the supervisors to make this request in accordance with a state law which became effective July 5 The letter was read aloud and then submitted by Mrs Holland DuBois of the Lincoln Estates group.

Board Chairman H. L. Cummings promised Mrs. DuBois that the board will keep her informed of developments.

The letter stated:

"We, the undersigned officials of five Moraga Valley improvement clubs, which represent more than 500 homes, hereby make the following request:

"WHEN THE STATE Highway Commission announces its public hearing on the routing of the Oakland hills-St. Mary's College leg of the Shepherd Canyon Freeway, that the Board of Supervisors request the State Highway Commission, in accordance with Section 75.5 of the Streets and Highways Code, to conduct a study of the effect of the various proposed routes on 'community values.'

"This section, which became effective on July 5, 1956, provides for such a study to be conducted when the State Division of Highway Commission cites benefits that would accrue to drivers of motor vehicles over alternate routes.

"Such driver benefits were cited by the State Division of Highways at its public hearing at Miramonte High School on June 21.

"WE BELIEVE that the study we are urging you to request should include, as a minimum, a comparison of the effects the various freeway routes would have on:

"1. Present homes.

"2. Public facilties, such as Miramonte High School.

"3. Planned future development.

"4. Tax values, both present and those contemplated through foreseeable, planned development.

"5. Land utilization.

"6. Controlled, orderly growth designed to benefit the entire county.

IN CLOSING, we again want to commend you for your stand against routing the freeway through Moraga Valley—a stand which is in full accord with, and has the support of, the owners of the more than 500 homes we represent.

"As do you gentlement, we recognize that freeways represent progress and that this vital new link between Alameda and Contra Costa Counties is particularly needed.

"But we are in full agreement that, with at least one and possibly two fine alternate routes available, the freeway should not usurp major portions of the Moraga Valley, one of the largest and most beautiful areas of prime residential land still vacant in the entire Bay Area."

BRAKE FLUID

Here's a good habit to get into: when you have your car lubricated each 1,000 miles, have the service man check the brake fluid level. It only takes a minute and it's one of the most important service points to have checked regularly.

JUNIOR MUSEUM NEWS

By ANNE HOWARD

The Diablo Junior Museum summer program is in full swing again! This year the Museum's workshops in natural science have expanded into two groups.

The older children enrolled attend sessions held at East Contra Costa Junior College under the direction of Ferd Ruth and Irv Metzger, which include two hours lab work and a special field trip each week.

THE YOUNGER ENROLLEES attend workshops held at the new Walnut Creek School under the direction of Bill Gripp and assistant Larkey Barnes, which offer one to two hours of lab and field work a week.

Both these programs are aimed at giving the children a new understanding of science subjects and a chance to work closely with live animals, insects, birds and reptiles.

Clayton's Currie Creek Park was the destination of the field trip planned this week for the JC classes. They have previously taken special trips to Diablo State Park, and Tilden Park Jewel Lake Trail. These trips, under qualified direction, give the children a real outdoor experience.

MEANWHILE BACK AT Walnut Creek School, the youngsters have been learning all about butterflies. They made nets and collected their own specimens, and this week's project was to mount them. It was a wonderful sight to see the small army, armed to the teeth with catching equipment advancing on those butterflies.

Some of the Bring-'Em-Back crew included Carol Madsen, Danny Connelly, James Doty, Tommy Marlor, Lynne Bell, Chris Inman, Lance Lorenzen, Tricia McKay, and Carol Beem. Almost every one of the 240 enrolled in the workshop had a specimen to show.

Two special projects, planned to aid the children in their natural science study, are additions to the library and to the growing animal room. The library now contains lots of books, everything from borrowed texts and private loans to some wonderful donations.

MANY THANKS GO to Mrs. J. Steller of Lafayette who contributed six very nice reference books, which almost completely cover the subjects we study. There's everything from "Wild Flowers of the Pacific States," and Roger Tory Peterson's "Field Guide to Western Birds," to "Living Mammals of the Worldl" by Ivan T. Sanderson.

The animal room, too, is growing, but mostly by donation. The current zoo includes a possum and a skunk, lots of white rats and various snakes, a pair of pigeons, some bantam chickens, and on and on . . .

Each week two children from each class are allowed to borrow an animal of their choice for the succeeding week. Mothers squirm when their little boys proudly bear away gopher snakes or an especially pretty lizard, but not so many mind the guinea pig, Ron Clark who got the new Yellow Bellied Racer for a week, Penny Ruth, a white rat, and lots more . . .

AS THE WORKSHOPS GO on each of the children will begin a project of his own, to be exhibited at the Science Fair, the closing event of the season. They may have collections or models or scrapbooks . . . something they are interested in and can learn more about through the museum program.

Two of the projects we've already heard about are Roger Southworth's rock collection and Christy Howard's shells.

More news next week!

Quentin Cooper Drowns in Slough

Quentin Cooper, 26, of 214 Drake Street, Antioch, a former composing room employee of The Sun, drowned in Broad Slough near Antioch Saturday when he slipped from the grasp of a companion attempting to rescue him.

Cooper, a printer at the Antioch Ledger, had gone yachting with Walter Garms, Mrs. George Ann Garms, Wilbur Fleming and James Cupp, all of Antioch, in Cupp's 30-foot Tahiti ketch.

According to the sheriff's office, the party anchored at the mouth of the Broad Slough, and all except Cooper swam about 150 feet to shore.

After the group reached shore, Cooper, in the boat, changed into swimming trunks, and then started swimming toward the others. Cooper ran into trouble in the current because, according to Cupp's account to the sheriff's deputies, the tide had changed between the time that the group swam to shore and the time Cooper started.

Garms swam to Cooper and grabbed him. Cupp and Fleming reached the boat and tossed buoyant seat cushions to Mrs. Garms, who towed them to Garms and Cooper, 100 feet from the boat. As Garms reached for a cushion, Cooper slipped from his grasp.

Cooper is survived by his wife, Louise, and two sons, 3 and 6, and also by his parents, Mr. and Mrs. Earl Cooper; a sister, Mrs. Zana Baeta, and three brothers, Earl Jr., Jimmie and Jerry Cooper, all of Concord.

ORCHARD NURSERY'S
BIG ANNUAL
INVENTORY
SALE (Our 6th)
HELD OVER FOR ONE MORE WEEK

If you can imagine what a job it is taking inventory in a nursery, with hundreds and hundreds of different kinds of plants, you will readily understand why we would rather sell our stock at reduced prices — rather than go to the terrific expense of counting it. Here's your big opportunity for big savings!

12 Teams Will Play Softball Tourney

Two Games Each Night at W. C. All Next Week

Softball fans and players will have their week in the spotlight when tournament play gets under way with 12 top clubs taking over from next Monday through Saturday, July 21.

The Walnut Creek Invitational Tournament is in its fourth year, under the guidance of Chairman Les Lloyd, and will feature the 12 top teams, with the local league representative being Rheem Center, which copped the first half of league play.

TWO GAMES will be played each night, at 7:30 and 9:15, at Walnut Creek City Park in the "sudden death" tournament.

A loss automatically throws a club into the consolation bracket, with a second loss eliminating the team from further play.

Names will be drawn for the first round of play, with trophies going to the first and second place clubs as well as the winner of the consolation bracket, plus a cup for the top hitter.

TEAMS OTHER than Rheem are:

Redwood City Merchants (Redwood City), Fremont Paving Company (Palo Alto), Garrow Furniture (Antioch), Pacific Appliance (Richmond), Radiation Lab (Livermore), Howdy Buick (Livermore), Catalina Homes (Pittsburg), Brentwood Merchants (Brentwood), Benicia Y.M.I. (Benicia), Concord Electric (Concord) and Berkeley Buick (Berkeley).

HIGH SPEEDS and daredevil driving highlighted the Fourth Annual Sports Car Races held at Buchanan Field recently. Sponsored by the Pleasant Hill Junior Chamber of Commerce, the race was termed a success by drivers, spectators and Jaycees alike. Proceeds will be used for the establishment of a community center in Pleasant Hill and for scholarships for deserving students at Pleasant Hill High School. —Sun photos by Harold Haas

Kellys Teammates Win, Lose in Babe Ruth Final Games

On July 4 Kellys participated in the East Contra Costa-West Contra Costa Babe Ruth League Play-offs at Concord. They got into the play-offs by beating the Danville Stars by the score of 5-3.

In the play-offs, Kellys first played the El Cerrito Boys Club and beat them by the score of 1 to 0. They later played Martinez and lost, 2 to 1.

MARTINEZ WON the championship trophy.

In the Danville game, the longest hit of the game was Jeff Beaubien's sixth inning triple which drove in two runs for Kellys. Don Hopkins, Kelly's pitcher, allowed only one hit, and that was a single by Danville's Richard Baker in the seventh inning.

Catching for Kellys was Dick Dodge.

Kellys scored 5 runs on 5 hits and committed one error.

Pitching for Danville was Jeff Prosser and catching was Dennis Prouty.

In the July play-offs, Kellys first played the El Cerrito Boys Club. Don Hopkins was Kelly's pitcher and Dick Dodge the catcher. Kellys scored one run on four hits and committed one error.

El Cerrito's pitcher was Jim James and their catcher was Grant Calin. El Cerrito scored no runs on two hits and committed one error.

KELLYS LATER played Martinez and lost to them by the score of two to one. Pitching for Kellys was Jeff Beaubien who was later relieved by Bob Gomez. Catching was Dick Dodge. Beaubien was credited with the loss.

The El Cerrito and Martinez teams are in the Western Division, while Kellys is in the Eastern Division.

Steaks to Head Gunner Picnic

A barbecue steak dinner will highlight the annual picnic of the Diablo Rod and Gun Club this Sunday on the Glen Lane estate, Lane Drive off San Miguel Road between Treat Lane and Monument Boulevard.

Athletic director Ted Boyce will supervise participants in swimming and other games and contests of skill, according to a club representative.

Tickets may be obtained from Woodie Cowling, 3425 Moraga Boulevard, Lafayette, Burdette's Shell Service in Walnut Creek or from any club member.

All proceeds of the picnic will go for the conservation of the natural resources and wild life of the county and the state, the club announces.

Sideline Slants

Parents -- Not Kids -- Are Youth Baseball Problem!

By ERWIN MATTSON

YOUTH BASEBALL GAMES have been having a busy summer, with hundreds of boys playing the game of baseball.

Many players are developing top skills and, most important, all are having a lot of fun.

The problems are minor with the kids on the field — the main difficulty lies with the adult fan in the stand. Sometimes adults lose perspective and expect too much of kids — and, also, some have a tendency to take things too seriously.

A story comes out of Concord youth league play to the effect that two mothers present as fans became so involved in debate that blows were finally struck and the police were called in to subdue a minor riot!

One thing certain — many a father has an aching back and sore muscles due to being recalled to active duty to show the offspring how to do it.

Many a parent has shown his son in recent weeks all the tricks of the trade, with emphasis on batting.

In some instances a dad who didn't hit his weight in his playing days is now showing his boy how to become a big league hitter.

The good part is that anyone who will take the time to study fundamentals and has interest and enthusiasm can do a good job of teaching the basic maneuvers of good play.

Many people have done a lot of fine work in youth ball, but one of the tops in everyone's book is Joe Freitas, who does a bangup job of umpiring the Walnut Creek Recreation League.

Joe, a top player for many years in both hardball and softball, knows the game and, besides doing a good job behind the plate as game arbitrator, does a fine job in handling the kids.

They all like and respect hime, and that's a difficult accomplishment for a "blind Tom."

Joe comes from an old-time Moraga family and was one of 16 children. All of them were good athletes — in fact, some played professional ball.

TRACK FANS — don't forget July 21, when the Women's Far Western Track Meet will be held at Acalanes Memorial Field.

I see that George Harrison and Corky Kiesel are hitting a merry pace and continuing their winning ways in summer swim meets.

Both of them, members of this year's Acalanes North Coast swim championship team, return for more competition next year, to form the nucleus of a team that promises to be the Dons' best yet.

I read that the superintendent of the Pittsburg school system, Charles E. Haworth, was a member of the U.S. Olympic track team in 1928, which was news to me.

He competed in the 5000-meter run, which is quite a jaunt — better than two and a half miles.

Track Coach Charles Eaton of Acalanes came within one throw of going to the Olympics as a javelin thrower.

He was in until he loaned his javelin to an opponent, who proceeded to give thanks for the favor by beating him out with his own (Eaton's) javelin on the last toss.

Rumor has it that Joe Sheaff of last year's Acalanes varsity basekball team will enroll at Santa Clara.

His dad, Joseph Sheaff Sr., graduated from there, and his brother has been in attendance the past year at the Santa Clara school.

Joe, an all-league basketball center in his junior year, will no doubt be heard from, playing for the Broncos.

Fish-Game Captain Assigned to W. C.

Assignment of new Fish and Game patrol captains to newly created districts, announced by Seth Gordon, director of the Department of Fish and Game, includes naming of Eugene S. Durney of Galt to Alameda and Contra Costa Counties with headquarters in Walnut Creek.

Drive carefully—save a life.

Horsemen to Hold Annual Event Soon

The annual Field Day and Horse Show, sponsored by the Contra Costa Horseman's Association, will be held in their arena at the Don Fernando Pacheco Adobe, 3119 Grant Street on July 22.

The Grand Entry will start at 12:30 p.m. sharp and ribbons will be awarded to the best dressed cowboy and best dressed cowgirl. Judges will be Dr. and Mrs. Tim D. Leon.

Trophies and ribbons to first, second and third places will be awarded for the following events: stock horse; ring spearing, individuals; equitation, matched pairs; trail horse; peg roping; pole bending; key hole race; stake race; cowboy race; relay race.

Judge will be E.H. Martin of Manteca.

General chairman is Harry Tomlin, assisted by the following: Arena directors, Monte Petrie and Carl Lauffer; Arena equipment, Floyd Coffman, Bob Hudson, Don Christy, George Dunn, Bill Cornell;

Entry and trophy committee, Kit Shoenberger, Nell Lauffer, Alice Poggi; Trophy committee, Hub Badger and Blanche Badger; concessions, Ted Albro and Babe Albro; announcer, Phil Shoenberger; P.A. system, Bob Hudson; parking, Mildred Deaton and Orval Foreman; timers; Roy Lee and Ruby Deaton; presentation of trophies and ribbons, Deanna Petrie and Sharon Hartung; publicity, Edna Petrie.

The show is open to the public and hot dogs, coffee and soft drinks will be served at the grounds.

A steak barbecue will be held after the show, 7 p.m., at the adobe for members and their guests only. Louis Augustine will barbecue the steaks.

Don't throw trash from your car. It is now against the law to be a litterbug. Keep roads clean.

Rheem Nine, Hoffman's Score Wins

Play in the Walnut Creek Softball League last week found two games on tap.

On July 3 Rheem Center's nine chalked up another win at the expense of Kings Market when they racked them 3-1.

Big Ed Bill was on the mound for Rheem, and he had an "on" night as he gave up but four hits while striking out an even dozen.

Ed Vick hurled for Kings, giving up eight hits while whiffing four.

Bill gave up six bases on balls to two by Vick.

IT WAS A SCORELESS tie for two innings before Rheem came to life in the third, to post three runs on four hits, three of them for extra bases.

John Witherwax led off with a single, and Ed Bill was out, second to first, on a sacrifice bunt which sent Witherwax to second.

Jim Teichera followed with a double, to score Witherwax, and came home himself when Bill Piona tripled.

Piona scored when Bill Wierieck doubled.

Ken Gerner had grounded out, pitcher to first, for out number 2, and when Ray Hamrick struck out, it ended the rally, but the damage had been done.

ED BILL KEPT the opposition well in hand, giving up but one run in the seventh when George Cockerton drew a base on balls, went to second when the next batter was hit by a pitched ball, reached third on a walk, to load the bases, and came home when Vick drew a base on balls.

Gene Bell hit a ground ball to short, who threw to first for the game's ending out.

Top hitter for the winners was Second Baseman Ken Garner, who had a single and a pair of doubles in three trips to the plate.

For the losers Ed Vick set the pace with a single and double in three times at bat.

LAST FRIDAY proved to be a good day for Hoffman's Liquors as they trimmed Kings 7-2.

Each club wound up with eight blows in the hit column, but Hoffman's got them when they meant the most, and that spelled the difference.

Kings had a 2-0 lead at the end of three innings of play, but the story changed in the top of the fourth, when Hoffman's scored three runs on four hits plus a pair of walks.

Adding three in the fifth and one in the seventh, Hoffman's was never to be headed, as Kings failed to score the rest of the way.

JIM HILL received credit for the win, as he struck out four and walked four, while Ed Vick was charged with the defeat, striking out six and giving up four bases on balls.

The game's top hitters were Hoffman's catcher, Jim Mulchay, with a single and triple to give him 2-3, and Gene Bell of Kings, who with a pair of singles also had two for three.

TONIGHT FINDS a pair of league games scheduled which will wind up official league play until July 24, as next week's play will be devoted to the Walnut Creek Invitational Tournament.

Contra Costa Sand and Gravel meets Rheem Center in a 9 p.m. game at Walnut Creek City Park, while Serpa Pontiac-Buick crosses bats with Hoffman's Liquors in an 8:45 p.m. game to be played under the lights at Martinez.

Nines Deadlock For Laf. Youth Ball Loop Leads

Lafayette Youth Baseball continues on its way, with full schedule of summer play slated for both the Minor and Major League divisions.

Tuesday's game (the only result available found the Lafayette Pharmacy aggregation racking up Lincoln Development, 14-0, led by the no hit, no run pitching of Rossi.

News of the week is that Louie Cosso, who has been out of action due to an appendectomy, is due to return to the Pharmacy nine. With Rossi sparkling as a starter hurler, the team is expected to make a strong bid for the league lead.

In the Minor League, results were as follows:

July 3—Kings, 17, Sun Valley Lumber, 5.

July 5—Rett White, 7, Lafayette Furniture, 0.

July 6—Lafayette Rental, 5, Lincoln Development, 2.

July 7—Sports and Games, 7, Lafayette Pharmacy, 5.

July 9—Lafayette Furniture, 9, Sun Valley Lumber, 1.

July 10—Lafayette Rental, 21, Jacuzzi, 3.

In standings to date it is interesting to note that every club has won at least one game. Two clubs, Gaston's Cleaners and Kings Market, are undefeated and tied for the loop lead.

The deadlock will be broken tonight as the nines meet at Hageman Field.

Minor League standings as of last Tuesday are as follows:

	W	L	Pct.
Gaston's Cleaners	4	0	1.000
Kings Market	4	0	1.000
Lafayette Rental	3	2	.600
Lafayette Furniture	2	2	.500
Sports and Games	2	2	.500
Rett-White	2	2	.500
Sun Valley Lumber	2	3	.400
Lafayette Pharmacy	1	3	.250
Lincoln Develpmnt.	1	3	.250
Jacuzzi Hydrothrpy.	1	4	.200

Major and Minor loop schedules through next Friday are as follows:

MAJORS (All games 6:30 p.m. at Mattson Feld.

Tonight — Lafayette Furniture vs. Sun Valley Lumber.

Tuesday — Lafayette Furniture vs. Rett-White.

Wednesday—Lafayette Pharmacy vs. Sports and Games.

Thursday—Sun Valley Lumber vs. Kings Market.

Friday—Gaston's Cleaners vs. Jacuzzi.

MINORS (All games 6:30 p.m. at Hageman Field.

Tonight—Kings Market vs. Gaston Cleaners.

Monday — Lincoln Development vs. Kings Market.

Tuesday — Sun Valley Lumber vs. Sports and Games.

Wednesday — Gaston Cleaners vs. Rett-White.

Thursday—Lafayette Rental vs. Lafayette Pharmacy.

Friday — Jacuzzi vs. Lafayette Furniture.

Fish Hobbyists Meet

The Diablo Tropical Fish Hobbyists met yesterday at 8 p.m. at the Pacific Gas and Electric community room to hear Roy Stocking present a program demonstrating the technique of setting up an aquarium.

The program was followed by a question and answer period and refreshments.

SPORTS

Diamond Chatter...

Here's Proof That Bright Baseball Future Is Ahead

By MEL ALAMANO

SOME FINE PLAYERS and improved boys are showing that Lafayette's and Walnut Creek's future in baseball is very bright.

It is hard and unfair to try and pick the best. The main thing is that, given the chance to play, many youngsters are proving the youth of our area are tops.

Every team has its key player, and it still takes nine players to play and win a game.

Hats off to a bunch of kids who went eight straight games without a win. They didn't give up and last week they won their first game, 8-7.

Contra Costa Speedway isn't a pushover for anyone, but with bad breaks, player losses and just bad luck they couldn't get a win. Now, kids, you have tasted victory and are happy and know you can win, so good luck and keep trying. We all know there isn't a team that has been as good a bunch of sportsmen as your team.

Only five weeks to go now, and baseball will be over in all the Walnut Creek Recreation leagues as well as the Lafayette Youth Association.

THE MANAGERS of each team will have questionnaires soon. All boys will have a chance to sign up for next year's leagues. Ages will be the main factors in forming leagues for next year.

The program will have to run from 9 through 15 years, and many details have to be worked out.

There aren't enough words to thank Mrs. Ruth Wallis and Bob Maxey of the Walnut Creek Recreation Department for their cooperation and understanding this year.

Without people like them no program could run smoothly. The managers and coaches fall in this class — and the committee people, what people they are!

No glory for their work — but they do it because they know the boys need help.

EASTERN LEAGUE

	W	L	T
Sports & Games	9	0	
Henry J. Kaiser	8	1	1
Diablo Drugs	5	3	1
City School of Music	5	4	
Schroder Insurors	4	4	1
Al Pereira Excav.	3	5	1
Holiday Kitchens	3	6	
Maple Towne	3	6	
Van Horn Motors	3	6	
Contra Costa Spdwy.	1	8	

Last week's results:

1. Contra Costa Speedway, 8; Van Horn Motors, 7.

Speedway came in from behind and Mike Reed's hit won the game in the last inning. First win for a bunch of boys who haven't given up all season.

2. Kaiser's, 15; Schroder's, 4.

Rich Wilbur pitched good ball to beat Capt. Schatz' fighting band. Greg Bertognoli helped with good fielding and hitting.

3. City School, 15; Maple Towne, 4.

Jan Ford hit a bases-loaded homer. Bill Remy pitched the win. Bob Samuels homered for Maple's.

4. Diablo Drugs, 15; Al Pereira, 4.

Ev Magnuson, winning pitcher. Bob McSorley's hitting and catching were a feature. Bob O'Donnell played fine ball.

5. Sports and Games, 15; Holiday Kitchens, 4.

Tom Strain again hit two home runs, to run his string to nine in five games. Mike Breuluex homered with the bases loaded. Stu Fox also hit a homer. Bill Pinkus for the losers had three for three. Butch Keifer got two hits, one a triple.

The Lafayette All-Stars beat Sports and Games in a practice game, 3-0, on Dennny Tols' no-hit, no-run game.

WESTERN LEAGUE

	W	L
Laf. Beauty Shop	6	2
Hendrick's Piano	6	2
Highland Realty	5	4
Kitty Bar	4	4
Hayward Realty	4	4
Lucas Motors	3	5
Arabian Colts	2	5

Last week's results:

1. Hendrick's Piano, 11; Hayward Realty, 6.

Rich Boyd, winning pitcher. Phil Freeman got his first hit in the league. Bruce Hamilton starred for Hayward.

2. Kitty Bar, 10; Laf. Beauty Shop, 3.

Jim Benjamin and Murray Schneider got three hits each for Kitty Bar.

3. Lucas Motors, 15; Arabian Colts, 9.

Dick Kanes, winning pitcher. George Crew caught a fine game. R. Vavrick starred at first base.

Go to Church Sunday

Community

Rev. Chauncey Blossom ,in his sermon on "Worshipping False Gods" at the 9:30 and 11 services Sunday will use as his text, "What means the heat of this great anger? The men would say 'It is because they forsook the covenant of the Lord . . ., and went and worshipped other gods and served them'. . ."

The Chapel Choir will sing "Lift Thine Eyes" by Elijah, under the direction of Ed Richard, with Shi Hill at the organ.

Films of various kinds will feature "Movie Nite" for Senior P.F. at 6:45 p.m. in Felowship Hall, with Jack Ogden in charge.

Songs, recreation and refreshments will be the specialties of the Junior P.F. at their regular meeting on July 17 at 7 p.m.

Community

Morning Worship Services will be held at 9:30 and 11 a.m. at the Community Methodist Church, 955 Moraga Road.

Dwight Williams, new youth director, will preach during Rev. Lewis' absence—his topic: "Live Options."

Mr. Lewis and his family are on vacation the rest of the month.

Church School is at 9:30 a.m.

The Methodist Youth Fellowship is having a series of discussions at their Sunday night meetings at 7 p.m. in the church lounge.

This week the topic will be "How Can We Make Our Fellowship a Friendly Place."

Episcopal

The Rev. Albert Lucas will conduct the service of morning prayer at 10 a.m. Sunday at St. Stephen's Episcopal Church.

Ushers will be W. E. Christie, James Dupuys, Jack Rand and John McFarland. The anthem this Sunday will be "Jesu, Lead My Footsteps," by Bach.

Older children will go to the undercroft during the sermon hymn for the showing of religious films. This Sunday they are:

"Jesus, Lord of The Sabbath," and "The Transfiguration."

Younger children will be cared for in a nursery in the basement of the vicarage.

The service of Holy Communion at 8 a.m. will be celebrated by the vicar. The usher will be J. R. Peckinham.

Pot-luck Dinner To Bring Funds

Pot-luck dinner and an opportunity to raise funds for the Lafayette-Orinda Soroptimist Service Fund will be the incentives for members of the organization to gather tomorrow night at the Lafayette home of Mr. and Mrs. Jack Marchant, 3360 McGraw Lane.

The Soroptimists announce that members may bring husbands and guests to the 7 p.m. affair.

Members will also bring along ceramic white elephants to be auctioned off at the dinner. Proceeds from the auction and all other money collected at the affair will go to the service fund.

Baptist

Sunday School begins at 10 a.m. at the First Baptist Church of Lafayette. Pastor A. R. Rutledge's 11 o'clock Sunday morning sermon will be "Shepherd Work." Evening services are held at 7 p.m.

The special Mid-summer Daily Vacation Bible School just held was attended by a good number of youngsters.

All ages are particularly invited to Sunday School each Sunday morning for similar interesting stories and activities.

We are looking forward to our guests for both morning and evening services on Sunday, July 22. The Gospel Team from the Western Baptist Bible College of Oakland will be in charge.

All services of the church are held at Dick Mathis' Stationery Store, 969 Moraga Road, Lafayette—across from the Fire House.

Lutheran

"Life's Great Alternatives" will be the sermon theme of the Rev. Merle O. Tollefson of Our Savior's Lutheran Church, 1035 Carol Lane, at the 8:15 and 11 a.m. worship services this Sunday.

Nursery accommodations are available during the 11 a.m. service.

The Sunday School meets at 9:30 a.m. with classes for all ages.

A series of weekly discussions for young people of high school age and older will begin at the church Monday evening at 8 p.m. Topics for discussion will be centered around basic Christian truths.

Wednesday evening the Bible Study will meet at 8 p.m.

The Adult Inquiry Class, for those who are interested in learning about the teachings of the church, will meet with the pastor Tuesday evening at 8 p.m.

Presbyterian

"Prevailing Prayer," fifth in a series on The Parables, will be the subject of the sermon by the Rev. W. Carl Thomas, pastor of the Lafayette-Orinda Presbyterian Church on Sunday at the Park Theater. There will be duplicate services at 9:30 a.m. at the Lafayette Town Hall for children over three. Nursery for both classes is at the home of Mrs. Ellen Brians, 1030 Brown Avenue, Lafayette.

St. Mary's Estates potluck will be held on Friday evening, July 13, at 7 p.m. at the home of Mr. and Mrs. Orton Bergren, 3327 Sweet Drive, Lafayette.

Friends or members who can possibly do so are urged to transfer their children to the 11 o'clock service at Sunday School because of overcrowded conditions at Town Hall at 9:30.

The church must comply with all fire regulations.

REGULATOR SETTING

One thing that adds to the life of your car battery is correct voltage regulator setting. This controls the rate of charge, prolongs the life of the generator and keeps the battery from going

Moraga Dateline

By EVA THUNE, DR 6-5593

Pear season is upon us once more. Boxes are stacking up across the road, workers are drifting in, and it begins to look like one huge ranch in operation. For the information of those who don't know, some of Del Monte's finest pears come from this area.

The harvesting and sorting of thise very delicious fruit starts around the first part of August, and provides local youngsters with summer employment.

Visitor to the Vic Pagliero home this past week was Bruce Fyfe, brother of Mrs. Ruby Pagliero. Bruce, who is an electrical research engineer with North American Aviation, is a resident of Downey, California.

MORAGA ON AIR

Of interest to many was the broadcast Tuesday night from radio station KPFA which featured the planned growth of Moraga, under the title, "Growing Pains From Orchard to City in Moraga."

A rebroadcast of the program will be on the air at 11 a.m. Sunday.

WELCOME to new residents, Mr. and Mrs. Robert D. Gilliland and their 19 month old daughter, Kathy, who have established hteir home at 283 Rheem Boulevard.

Bob and family transferred from San Francisco to Moraga, and his new status is District Manager of Metropolitan Oakland for the State Farm Mutual Insurance Companies. According to reports, they are very happy here.

Another welcome to a very new, very little resident in the Rheem area. Donna Denise Nelson, weight 7 pounds 10 ounces, arrived July 6 to the family of Mr. and Mrs. Patrick Nelson, residence, 275 Rheem Boulevard.

Donna, born at the Providence Hosptial in Oakland, has a big brother, Jerry, 4 years, and sister, Suzy, 2½ years old. Baby's mother, Sally, says she looks very much like her brother and is a very good baby.

COMIN'S AND GOIN'S

On a week's vacation to Mt. Lassen, is Miss Karen Glasyk, who is visiting with friends at Manzanita Lake, and having a great time.

Just returned from a 10 day trip to Southern California, is Mrs. Louise Lynch and three children of Larch Road.

Included in her itenerary, was Balboa, California, where her husband, Ed, who is with the Merchant Marine, joined them at his brother, Jo Lynch's home. The rest of the time was spent visiting her mother, Mrs. Edith O'Brien, at San Bernardino and her daughter, Mrs. Dennison in Los Angeles.

Louise said the only marring factor was the unexpected early departure of her husband, who had planned on a larger "shore leave."

Moraga Chief Issues Tips for Fire Prevention

Fire season, a time of ever-present danger, is with us again.

Within the space of one week recently, more than 100 acres of grazing land and trees were ravished and destroyed by the flames of four separate fires in this area.

Moraga Fire Department Chief Al Baitx has issued the following rules which, if followed, can greatly lessen the threat of fiery destruction, Baitx claims.

1. Clean all the grass, brush and trash from around your property.

2. All incinerators must be inspected and approved by the Moraga Fire Department before using. No burning to be done after 11 a.m.

3. Definitely notify the Fire Station whenever you do any type of open burning.

4. Familiarize yourself with the proper procedure in reporting fires and other emergencies. For best service by your Fire Department, remember the following:

The Fire Station number is DR 6-4421 in Moraga; speak slowly and distinctly; give your name and address; give location and description of fire.

5. Clean garages. Positively DO NOT store inflammable liquids in garage or near hot water tanks.

Trained operators of resuscitator and first aid are ready to answer your call in case of heart attacks, restricted breathing and drownings.

"With your alertness to danger points and cooperation with the Fire Department, one of the greatest threats to homes and scenic beauty can be controlled," said Baitx.

SMOKE IN SAFE PLACES

"No Smoking" areas in the home include beds, closets, attics and the work bench when shavings are around or flammable liquids are being used.

Lurline Bettencourt Will Sail to Hawaii

Lurline Bettencourt, 13-year-old daughter of Mr. and Mrs. J. H. Bettencourt of 3987 Rancho Road, Lafayette, and her maternal grandmother, Mrs. Emma Penning of Richmond, will sail on the Matson liner Lurline today from Los Angeles for Hawaii.

They will spend about a month at the Islands, where they will visit Lurline's paternal grandparents, Mr. and Mrs. J. F. Bettencourt, who live on Kauai.

Lurline and Mrs. Penning flew to Los Angeles, where they are being wished "bon voyage" by Lurline's parents and 8-year-old brother, Donald, who traveled to the Southland by car. A visit to Disneyland is on Donald's schedule before the return home.

Student Gets Naval Rank at ROTC Rites

During Navy ROTC ceremonies held in Stanford University ampitheater, June 16, Howard Robinson Jr., son of Mr. and Mrs. H. F. Robinson of 3726 Highland Road, was commissioned a Navy ensign in the supply corps and received a bachelor of arts degree.

He will report to the Naval Supply Corps School, Athens, Ga., for duty.

Rev. John Quinn Becomes Pastor Of St. Perpetua's

Services at the 12:15 Mass Sunday at St. Perpetua's Catholic Church included the installation of the new church pastor, the Rev. John T. Quinn.

Father Quinn arrived at the church July 3 to replace the former pastor, the Rev. Thomas Collins, who has been transferred to St. Joseph's Parish in Pinole. Father Collins had been at St. Perpeuta's since 1952, when he arrived as first pastor of the new church.

CONDUCTING THE installation Sunday was the Very Rev. James Rohan, Dean of Clergy of Contra Costa County, who acted as the delegate of Archbishop John J. Mitty of San Francisco.

Assisting him at the rites were the Rev. John Wagner of St. Marks, Richmond, Rev. David Harrington of Santa Maria, Orinda, and Rev. Paul Serruys of St. Mary's College.

Father Quinn, a native of San Francisco, had been pastor of the Presentation Parish of Stockton since 1952.

Following his education at St. Joseph's College in Mt. View and St. Patrick's seminary in Menlo Park, the new local pastor was ordained to the priesthood in St. Mary's Cathedral, San Francisco, in 1934, by Archbishop Hanna.

BEFORE COMING to Lafayette he served as assistant pastor at St. Joseph's Church in Alameda from 1934 to 1939, at St. Theresa's Church, San Francisco, from 1939 to 1944, and at St. Thomas' in San Francisco until 1946.

He was then transferred to St. Ritas in Fairfax, where he stayed until 1948, to St. Dunstan, Millbrae until 1952, and then to the Presentation Church.

St. Perpetua's new pastor has announced that Mass will be conducted each Sunday at 7, 8:30 and 10:30 a.m. and at 12:15 p.m.

COOLING SYSTEM CARE

Although you don't see it, the cooling system of your automo mobile gradually loses its efficiency as rust and scale form in the water jackets and radiator. It's a good idea to have the system drained and flushed at least once a year. Be sure to add a rust inhibitor when you refill the radia-

Two Teams Tie for First At Orinda Golf Tourney

Two teams tied for first in best ball competiton in the three days of the 31st Orinda Country Club July Invitational Golf Tournament last Friday, Saturday and Sunday.

With each team netting a total score of 192 for the long 54-hole route, the two tied teams were:

Don Doten and Lloyd Rossi, who garnered 63-67-62 for their 192 total.

Errol Fanning and Perry Holmes, who scored 66-64-62 to amass their 192 final score.

Both teams were 24 under par for the three days.

THE ORINDA COUNTRY Club July Invitational Golf Tournament is the West's oldest club invitational competition.

Only one stroke behind the winners was the team consisting of Bill Prucha and Jack Biglen, with rounds of 69-62-62 for a total of 193.

And next, with 194, came the team of Dr. Peter Patch and Bob Hanna.

Five teams tied for fifth through ninth spots, with 196's. These five teams were:

John Googins-Tal Harter; Ridge Greathouse-Carl Ziegler; Bob Woodyard-Weller Noble; John Traynor-John Kennedy; Dick Ghent-Harry Gibson.

In 10th and last money place was the team of Ed Maloney and Vern Goodwin, with 197.

AS THE FINAL day's play began Sunday morning, Traynor, Orinda 11-handicaper, and Kennedy held a one-stroke lead entering the final round. Here's what Traynor said after it was all over, in trying to explain what happened:

"I was so nervous I couldn't sleep Saturday night. Kept playing the course over and over in my dreams. Must have gone 54 holes — broke the course record, too — before it was time to get up and play 18 more.

"I'm getting too old for 72 holes in 24 hours — even if 54 of them are in my dreams."

AS IF IN PROPHECY of the final result, Traynor had posted on Orinda Country Club golf professional Pat Patton's quarters a sign which stated:

"SMILE: Later today you may not feel like it."

On the tied winning teams, Doten was an 8-handicapper, Rossi a 3-handicapper, Fanning a 12-handicapper, and Holmes a 5-handicapper.

Local Realtors Open New Office

Realtors Lewis E. Reark and Charles H. Harvey are now doing business from their new real estate office at 6 Bryant Way.

Reark, 15 Hidden Valley Road, Lafayette, has been in Orinda real estate for seven years, while his partner Harvey, of 1895 Magnolia Way, Walnut Creek, has been a Lafayette-Orinda realtor since 1947.

Associated with the two men will be Philip Pettyjohn and Fred I. Blake.

Couples' Driving Costs $158 Apiece

"Reckless driving," a charge to which both Mr. and Mrs. John Lackey, 61, Charles Hill Road, pleaded guilty recently in Walnut CreekJudicial Court, has cost the couple $158 apiece.

Facing Judge Clifford Thomson at the hearing, Mr. and Mrs. Lackey were judged guilty of driving recklessly on June 11 on Mt. Diablo Boulevard.

Health and welfare plan payments are now in effect in all classifications as previously mentioned above.

Eight hours constitute a day's work unless otherwise specified. All overtime is double time, unless otherwise specified. Saturdays, Sundays and holidays, double time.

NOTICE IS ALSO HEREBY GIVEN BIDDERS that it shall be mandatory upon the contractor to whom the contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of per diem wages, as above listed, to all laborers, workmen and mechanics employed in the execution of the contract.

Anything to the contrary in the above wage scale notwithstanding, the Contractor and all subcontractors under him shall pay all their laborers, workmen, mechanics, and employees on said work a salary or wage at least equal to the prevailing salary or wage for the same quality of service rendered to private persons, firms or corporations under similar employment, within the Central Contra Costa Sanitary District.

The per diem wage rate is the hourly rate hereinabove mentioned established multiplied by the number of hours hereinabove mentioned as constituting the working day for the particular craft or type of workman.

Before submitting proposals, the bidder shall be licensed in accordance with the provisions of Chapter 9, Division III of the Business and Professions Code, Chapter 37 of the Statutes of 1939, as amended, of the State of California, which provides for the registration of contractors.

Each bidder must submit with his proposal, a statement of his financial responsibility, technical ability and experience on the form istration and licensing of contractors.

Each bidder shall submit with his bid on the form provided, the name and address of each subcontractor including the principal suppliers of materials and the portion of the work which each subcontractor will do. If the contractor fails to name the subcontractors in his proposal, he shall be deemed to have agreed to perform such portion of the work himself and shall not be permitted to subcontract said portion of work without previous written permission of the District Board.

The Contractor shall, in the performance of the work and improvements, conform to the Labor Code and other laws of the State of California applicable thereto and with special statutes pursuant to which proceedings hereunder are taken and which have not been superseded by the provisions of the Labor Code. Preference to labor shall be given only in the manner provided and required by law. Veterans and resident local labor shall be given preference by the Contractor, wherever possible, if skill and working ability permit without increasing the ultimate cost of the work and improvement to the Local Improvement District, the Central Contra Costa Sanitary District, and its officers.

All proposals or bids shall be accompanied by a check payable to said Central Contra Costa Sanitary District and certified by a responsible bank for an amount which shall not be less than ten (10%) per cent of the aggregate of the proposal, or by a bond for said amount and so payable, signed by the bidder and two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount and over and above all statutory exemptions or by a corporate surety bond to the satisfaction and approval of the Engineer. The proposal shall be made out on the form to be furnished prospective bidders, a copy of which is incorporated with the specifications.

Said proposals or bids shall be delivered to the Clerk of the District Board of the Central Contra Costa Sanitary District on or before the 19th day of July, 1956, at the hour of 8:00 P.M. of said date, at the office of said Central Contra Costa Sanitary District at 1822 Mt. Diablo Blvd., Walnut Creek, Contra Costa County, State of California, said time being not less than ten (10) days from the time of the first publication or posting of said Notice. Bids will be opened on said day and hour. The District Board reserves the right to reject any and all proposals or bids, should it deem this necessary for the public good, and also the bid of the bidder who has been delinquent or unfaithful in any former contract with the Central Contra Costa Sanitary District.

All bids shall be submitted on the understanding that all work thereunder shall be done pursuant to the Improvement Act of 1911 and that all of the applicable requirements thereof shall be made a part hereof, of the Local Improvement District proceedings, the bonds and the contract.

DATED: This 28th day of June, 1956.

s/ CLAUDE M. McPHEE
Secretary, Central Contra Costa Sanitary District, County of Contra Costa, State of California

O-752—Orinda Sun, July 6, 13, 1956.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING BEFORE THE CONTRA COSTA COUNTY PLANNING COMMISSION

NOTICE IS HEREBY GIVEN that the Planning Commission of the County of Contra Costa will conduct a Public Hearing on the 24th day of July, 1956, at the hour of 8:00 P.M., in the Administration Building at the corner of Pine and Escobar Streets, Martinez, California.

The purpose of the hearing is to consider the General Sewerage Plan for San Pablo and Wildcat Drainage Basins, with Richmond and El Cerrito, which plan will eventually be integrated with the County-wide General Sewerage Plan for Contra Costa County, and shall serve as a guide to the General public; the County Board of Supervisors, the Planning Commission, the County Health Department and public agencies and individuals directly concern e d with sewerage service.

This hearing is not being held to consider construction or financing of sewerage facilities or to establish a public agency to render sewerage service.

For general information and orientation the communities of Orinda, Orinda Village, Glorietta, El Sobrante, Giant, North Richmond, San Pablo, Richmond and El Cerrito, and the San Pablo Reservoir, Lake Anza, Jewel Lake, Charles Lee Tilden Regional Park, Alvarado Park, Bear Creek, Briones Valley, and Sheldon School lie within the boundaries of the study area which is generally described as follows:

Begininng at a point on the edge of the northerly shore of Contra Costa County, approximately 1000 feet west of the section line common to sections 19 and 20, R4W, T2N, Mt. Diablo Base and Meridian, thence southerly 2500 feet more or less and southeasterly 2000 feet more or less along a ridge line to San Pablo Avenue; thence along San Pablo Avenue southwesterly 4500 feet more or less to its intersection with the southerly ridge line of the Garrity Creek Drainage Basin; thence easterly and northerly along said ridge line approximately 2.8 miles to its intersection with the topographical drainage basin line of San Pablo Creek; thence along said drainage basin line 1000 feet more or less to its intersection with the legally described boundary for the Contra Costa County Flood Control and Water Conservation District, Pinole Creek Watershed Zone No. 9, legal description of said boundary is on file in the County Clerk's Office, Martinez, California; thence southeasterly along said Zone No. 9 boundary to its intersection with the Briones Hills Ridge; thence southeasterly along said ridge to the westerly boundary of the Contra Costa Flood Control and Water Conservation District, Walnut Creek Watershed Zone 3B, legal description of said Zone 3B boundary is on file in the County Clerk's Office, Martinez, Californ i a; thence southerly along said Zone 3B boundary to its intersection with the ridge line which divides the San Pablo and San Leandro Drainage Basins; thence southwesterly along said ridge line to the Contra Costa County Boundary line; thence along said County Boundary line northerly 6¼ miles more or less and westerly 2½ miles more or less to the shore line of San Francisco Bay; thence along said shore line in a general northerly direction to the point of beginning; comprising 30,500 acres more or less in the San Pablo Drainage Basin, 6500 acres more or less in the Wildcat Drainage Basin and 11,500 acres more or less in Richmond and El Cerrito lying outside of the San Pablo and Wildcat Drainage Basins; a total of 48,500 acres.

All persons are hereby notified that the Contra Costa County Planning Commission will hear any and all persons who may be interested.

For details on this proposal, contact Mr. Victor W. Sauer, Public Works Director or Mr. Jack Port, Head of Sewerage, Waste and Water Division, Public Works Department, located at 1111 Maifi Street, Martinez, California.

J. DeCOSTA, Secretary
Contra Costa County
Planning Commission

O-753, Or. Sun, 7/13/56

Report Stresses Varied Reasons for Incorporation

"Orinda's problems stem from the community's growth and from the desire of its citizens to establish and maintain a fine residential character," states the report of the incorporation study committee of the Orinda Association.

In citing reasons in favor of incorporation, the 33-page report by the committee headed by Paul Pollaczek continues:

"Orinda's development now is setting the pattern for years to come.

"Once land is subdivided and land uses established, the pattern is d i f f i c u l t or impossible to change."

Under the heading of "Orinda's Problems," this section of the report goes on:

"ORINDA'S AIMS and objectives have not always been furthered by c o u n t y government.

"This may be because of basic lack of sympathy with those objectives on the part of the supervisors and their appointees.

"It may be because it is impossible for the supervisors to act as a city council for every community ,acting according to the wishes of the majority in each community while still protecting the interests of the county as a whole.

"It may be because there is no really conclusive means by which the views of the majority of the citizens of Orinda or of any other unincorporated community can be determined and presented to the supervisors.

"ORINDA'S BASIC problem is the inability to make its own decisions, to control its own destiny at this critical time:

"1. The community is unable to do its own planning or control its land use.

"2. Orinda's citizens are also unable to control expenditures of public funds raised or expenditures made in the community.

"Orinda has only a small voice in determining the kinds and levels of county services to be provided in the community.

"In addition, each special district is devoted to a single purpose, and there is now no opportunity to evaluate these services with respect to one another.

"3. ORINDA IS NOW unable to embark on special community-wide programs without forming additional special purpose districts with their inherent disadvantages.

"The current desire for an accelerated recreation program in Orinda is an example.

"Orinda does not have self-government and cannot make vital decisions.

"Orinda's citizens are now unable to control adequately the future of their own community — through planning and land use control or through control of expenditures for public services."

STRESSING that a tax rate of 32 cents per $100 assessed valuation would provide "a reasonable standard of needed services and functions" for the first year and future years of the city, the report lists several "advantages and results which can be achieved" through incorporation.

The city property tax rate would be in addition to county and various district tax rates, the report points out.

"BY INCORPORATION," the committee states, "Orinda can:

"1. Control its own planning, zoning and land use in accordance with the wishes of its people.

"2. Exercise local control over many important expenditures for public services such as police protection and street work.

"3. Undertake programs of special local interest in Orinda and impossible under county government, such as community recreation.

"4. Have a local government responsible to local needs, with all members elected only by the people of Orinda.

"5. Improve local governmental services, especially police protection.

"6. Establish better community identity and deal more effectively with other governmental units.

"7. Avoid creation of additional special purpose distircts with their separate governing boards and separate tax rates."

THE REPORT declares:

"The committee believes incorporation will provide solution for Orinda's major problems.

"Decisions affecting Orinda's future can be made in Orinda by a city council elected by and responsible to the people of the community."

WHAT ARE the alternatives if Orinda does not incorporate?

"If Orinda does not incorporate as a general law city," the report says, "these are some of the alternatives:

"1. THE STATUS QUO.

"Orinda can continue to take its chances on county government.

"For additional or improved services, the community can ask the county or existing districts to provide them.

"2. CREATE MORE special districts.

"To meet needs for improved protection, for recreation programs, etc., more districts can be formed, either as special purpose districts or as a multi-purpose community services district.

"Most special districts have no tax rate limit, and the community services district has a $1 limit, the same as that for a general law city.

"3. WAIT.

"Some may argue that, while Orinda should incorporate 'some day,' the community is not now 'ready'."

LEGAL NOTICE

NOTICE OF PUBLIC HEARING ON AN APPLICATION FOR A LAND USE PERMIT

YOU ARE HEREBY NOTIFIED, that on Wednesday, July 25, 1956 at the hour of 7:30 P.M. of said day, in the meeting room of the Administration Building, corner of Pine and Escobar Streets, Martinez, Californ i a, THE BOARD OF ADJUSTMENT WILL consider the application of Kenneth L. Courtright (Applicant and Owner) for a variance to divide 2 lots with area less than ½ acre—5½ ft. sideyard on 1 lot with residence as provided under THE ZONING ORDINANCE of the COUNTY OF CONTRA COSTA.

Going on a Trip? First, Do These!

Vacation season is here again. and families have taken, are taking or are planning to take vacation trips.

So that your vacation trip will be not only a happy experience but also a pleasant memory after your return, you should take certain precautions before you go.

If you don't, there is the danger that when you come back you may find your home burned, burglarized or vandalized.

Here are some pointers which are bits of advice that should be heeded by vacationers about to leave on trips of any appreciable length of time:

1. Halt deliveries of milk and newspapers for the duration of your absence. If you don't, you'll be leaving a virtual notice to would-be prowlers that you're away.

2. Notify the sheriff's officee, if you live in an unincorporated area, or the Walnut Creek Police Department, if you live in the city of Walnut Creek, of your plans — when you will be away and where you can be reached. They'll be glad to "keep an eye" on your premises, giving the place special attention as they make their rounds.

3. Make sure there are no accumulations of rubbish or dry grass and leaves near your house.

4. Make sure your electric refrigerator is turned off—and leave the refrigerator door open.

5. Disconnect electric lamp cords from wall sockets, and disconnect all other gas and electrical appliances. Be sure your furnace is turned off. Turn off pilot lights.

6. Leave some of your window shades partially up, so that the house does not present a deserted appearance.

7. Arrange with a neighbor for him or her to hold your mail for you.

8. If convenient, leave a key to the house with a neighbor, so that the neighbor can enter your house and turn on a light for a while each evening.

(If you have any questions regarding what to do about gas and electricity connections before you go on your vacation trip, phone the Pacific Gas and Electric Company office nearest you for information.)

9. Be sure the doors are locked.

O.K. — have a happy vacation trip!

Playshop Will Present 'Rainmaker'

Lafayette Playshop will present "The Rainmaker," romantic comedy by N. Richard Nash, at the Las Lomas High School all-purpose room in Walnut Creek the nights of July 27 and 28 and August 3 and 4. Curtain time for each performance will be 8:30.

Laid in a Midwestern cattle town during a severe drought in the early 1920's, the story concerns the Curry family, cattle raisers, and the efforts of Starbuck, a confidence-game operator to defraud the Currys by convincing them he can make rain.

Director Lloyd Sisler announces that the leading roles will be performed by Charles Bosley as Starbuck and Diane Davis as Lizzie.

Others in the cast are Art Lewicki as Noah, eldest son in the Curry family; Bob Loorz as Jimmy, the youngest son; Sherman Coakley as the sheriff; Lloyd Holton as H. C. Curry, the father, and Don Edwards as File, the sheriff's deputy.

"The Rainmaker" was a popular Broadway hit several years ago.

What They Say . .

Is Shopping Better Here?

Cartoonists since time immemorial have been depicting the plight of shoppers in big city department stores in the melee of hunting select articles, battling over bargain goods and throwing up solid walls of sales resistance before insistent salesmen.

In line with suburban life in general, however, the picture of shoppers' difficulties has been altered by the smaller shopping areas, more leislurely tours and the escape from meeting traffic confusions head on as part of the shopping day.

Wondering how Mr. and Mrs. Shopper felt about the stores in this community stacked up against their larger and more distant cousins, the Roving Reporter asked several local residents whether the goods and prices offered by the local merchants enabled them to do most of their shopping here.

Mrs. Thomas E. Grewe, 1421 Tischner Court, Lafayette, answered emphatically that it is advantageous to shop locally.

"I haven't been shopping in the city for years," she continued.

Queried on how she felt about the prices of goods here, she stated that they are compable to those in the city.

Mrs. George F. Shank, 1130 Camino, Vallecito, Lafayette, said:

"I don't go to Oakland very often any more," she told us. "I think the stores here are complete for the average shopper."

Of course, some shoppers, like Mrs. G. J. Brase, 20 Monte Vista Road, Orinda, shop out of the area just for the sake of convenience.

"I work in Montclair," Mrs. Brase replied, "and do all of my shopping there."

Mrs. Daniel Newgard of 403 Sohle Avenue, Pleasant Hill, commented that, "I like to go to Walnut Creek for my shopping but a lot of miscellaneous items I pick up in Pleasant Hill. The traffic problem keeps me from venturing too far away."

Mrs. Leroy Elam of 1944 Elinora Drive, Pleasant Hill, likes Gregory Gardens for most of her shopping.

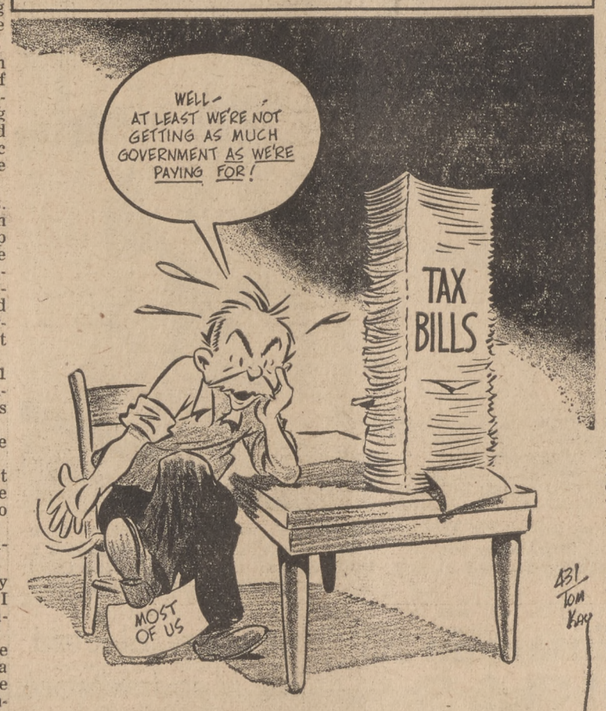
"The meats especially. There is one meat counter which has really good meat at reasonable prices."

"We go to Oakland only for some of the larger things like furniture," said Mrs. Donald Shaffer of 1688 Poplar Drive, Walnut Creek.

Mrs. Fred Gisse of 204 Barbara Court, Walnut Creek, used to work in a large department store in Oakland.

"You know, the prices here in Walnut Creek are as reasonable as in Oakland, and some stores here are better than the same branch in Oakland," she said.

THE AMERICAN WAY



A Wee Bit of Comfort

Cat Family Rides in Rug to See the World

Curiosity took three Siamese cats for a ride recently when a mother cat of Lafayette stowed her two offspring away for a little travel experience in a rug that was rolled up on a truck, ready for delivery to Orinda.

When the rug was unrolled at its destination the three cats scooted three different ways and were out of sight before anyone realized what was happening.

When mother cat and famly were discovered missing, their distraught owner began tracking down clues and following trails over Orinda hills for days, until she finally gathered up the last of the wayward felines and transported them back to Lafayette.

EBMUD Granted Right to Take Additional Water

A permit to appropriate the surplus waters of the Mokelumne River to fill future needs was granted to the East Bay Municipal Utility District July 3 by the State Division of Water Resources.

The decision was announced by State Engineer Harvey O. Banks Jr. on the final day of business for the Division of Water Resources. On July 5 the newly legislated Department of Water Resources came into being, with Banks as its director.

The State decree will add an estimated 125 million gallons daily to the present EBMUD rights to 200 million gallons of Mokelumne water daily.

Two competing claims, filed by Calaveras County Water District and the North San Joaquin Water Conservation District, were denied by the state engineer.

The Division of Water Resources decision, however, incorporated the recent offer made by EBMUD to sell surplus Mokelumne water to the San Joaquin District until such time as it will be needed by the Utility District.

Letters to The Editor

MANY THANKS
Dear Editor:

I want you to know how much I appreciate the fair and generous coverage The Sun accorded me in my recent primary election campaign.

Although we tried to localize our press releases wherever possible, and made a sincere effort to confine our releases to vents of legitimate news value, I was gratified that so much copy was used throughout the district.

Newspaper publicity undoubtedly played a crucial part in the success of my campaign, just as in past years.

DONALD D. DOYLE

YOUTH GETS JOB
Dear Editor:

I am one of the teen-agers who took advantage of your generous offer to have a free ad run in The Sun.

I have had about 10 phone calls as a result of the ad, and these have brought me several pleaasnt contacts as well as the work I sought.

I wish to thank you very much for being such a public-spirited newspaper and giving me and other teen-agers this opportunity to earn money and be useful during our spare vacation hours.

LUCILLE OGDEN

CONGRATULATIONS TO SUN
Dear Editor:

Hooray for The Sun for being awarded the recent national honor for publications.

We are proud to be subscribers and urge continuation of present ploicies, editorial and newswise, encouraging local action to make this entire area a better place in which to live.

Keep up your excellent coverage and hard work.

L. O. GLASCOCK

FIRE FIGHTERS
Dear Editor:

We wish that you would thank the firemen and all the people who helped to fight the fire on our ranch on July 3.

It was a good job, well done. We thank our friends and neighbors also for their help and interest.

MR. AND MRS. J. J. BOTHELHO

Dramateurs to Present 'Voice Of the Turtle'

John Van Druten's "The Voice of the Turtle" wll be presented "in the round" by the Dramateurs at Lafayette Town Hall next Friday night and on the nights of July 21, 22, 27 and 28. Curtain time for each performance will be 8:30.

Under the direction of Carl Rasmussen, the cast of the comedy will include Elizabeth Moran as Sally, Bruce Sloan as Bill Page and Betty Reynolds as Olive.

Assisting Rasmussen in the direction are Janice Janssen and Martha Chase.

"The Voice of the Turtle" is the first of two summer "theater in the round" productions of the Dramateurs.

The second, Liam O'Brien's "The Remarkable Mr. Pennypacker," will be given August 3, 4, 5, 10 and 11, also at Lafayette Town Hall and also under the direction of Carl Rasmussen.

Heading the "Pennypacker" cast will be James Harris as Pa Pennypacker, Katie Genesy as Ma Pennypacker, Eddie Woltz as Grampa Pennypacker, James Stanislawsky as Dr. Fifield and Edith Dinkin as Aunt Jane.

Assistant directors for this play will be Alice Swenning and Patricia Winkworth.

Charlotte Chapple is technical director for both summer plays. She is assisted by Betty Apgar.

Under The Sun

By Herman Silverman

Do you know what Grand Jury is?

What does the County Grand Jury mean to you?

Does the term represent a far-away, governmental "thing" about which you read in the papers now and then?

Or do you realize the Grand Jury is one of our most important checks in our democratic system?

The Grand Jury is an investigative group of citizens whose task, among others, is to determine if our public officials and offices are doing a good job. The Grand Jury is composed of intelligent (most of the time), ususally prominent and respeected men and women of the county.

Of course, there are "good and bad" Grand Juries; some perform outstanding accompilshments; others merely rubber stamp "okay" on what they are shown.

Now, about those complaints . . .

I have always been impressed with this fact: Every Grand ury report always seems to say, "We had very few complaints or suggestions from the people."

JSermon: If you have a complaint, suggestion or sound idea on how to improve the operation of any governmental unit in the county, do not hesitate to present it to the Grand Jury.

Naturally, you want to submit accurate, honest, complete information. Don't present gossip or wild rumon. Nor is it necessary for you to perform extensive investigation. That is their job.

You can present the information in a letter to the foreman. But it is much better to make an appointment through the foreman and present it to the committee concerned.

Several years ago The Sun sent a documented letter to the Grand Jury on pin ball gambling in the county. The reaction was good, although public officials were able to cast some doubt on the letter.

Then, a Sun editor and I personally appeared before the law enforcement committee. We had a two-hour session and the ultimate results were most gratifying. That Grand Jury did not mince words about pin ball gambling and the lack of law enforcement in the county.

The Grand Jury needs your help

The point of this sermon is that the Grand Jury needs your help. In turn, the jury can do a tremendous amount of good.

Philip Bancroft Jr., a respected and able man, is the foreman for the new jury, which has just been sworn in. Mr. Bancroft's address is 1500 Bancroft Road, Walnut Creek; phone: YE 4-2075. Others from this area on the jury are Ted Schreiber and Wayne C. Haas, both of Walnut Creek.

Note that Orinda, Moraga, Lafayette, Alamo, Danville or Pleasant Hill are not represented on the new Grand Jury. I agree with the foreman of the past Grand Jury that jurors should be allocated on the basis of supervisorial districts. For example, Supervisorial District 2 has only one man on the panel of 19. He is J. W. Owsley of Crockett.

Of course, some of this is by chance. AJ Superior Court judge makes the original selection of a larger panel. Then, 19 names are drawn by lot to determine who serves.

In closing, a friendly reminder from friendly Dr. Silverman — have you given your children the polio vaccine? 'Tis important.

County Will Take Part in National CONELRAD Test

All county residents are being asked to cooperate with the County Office of Civil Defense next Friday, when a nation-wide CONELRAD test is scheduled.

The first nation-wide dayitme test of the civil defense emergency broadcasting system will be held at 1:10 p.m. local time.

All programs on radio and TV stations will be suspended for 15 minutes and AM stations that are part of this emergency system will shift to CONELRAD frequencies at 640 and 1240 kc. to broadcast CD information concerning the simulated attack.

The county would like as many residents as possible to turn to 640 or 1240 on a standard AM radio to see if CONELRAD is being received.

If you cannot receive the broadcast, William Ward Jr., director of county civil defense, has requested that you drop a post card to the Civil Denfese Office, 2130 Arnold Highway, Martinez, giving your name, address and city, so that the CD office will know what areas, if any, did not receive the CONELRAD broadcast.

He asks that no phone calls be made, just post cards.

Thrift Shop Marks 2nd Anniversary

Two years ago, after being closed for the July 4 weekend and moved to a new location, the Therapy Thrift Shop opened its doors at 1547 East Street, Walnut Creek.

To some it still seems like the "new store" but actually the philanthropic project has spent nearly half its life in these quarters, say its staff.

Many people in Walnut Creek and environs are now familiar with the shop location and its contribution toward the Mt. Diablo Therapy Center.

THE LADIES WHO run the Thrift Shop compose the Linnet Unit, one of a group of 11 which raises funds to help pay the operating costs of the Center.

New and used merchandise in good condition is gratefully accepted from many sources. It is carefully selected and offered for sale on Thursdays, Fridays and Saturdays of each week.

All goods are donated, all time devoted to staffing the shop is donated by Linnet and Linnet Junior mmebers, and all proceeds are turned over to the Center.

Each week some articles are especially featured for sale. Because this is an anniversary month for the shop, Mrs. M. C. Bolender, merchandise manager, will take particular pains to have very attractive specials. Today and tomorrow, children's needs will be catered to.

FEATURED WILL be a supply of children's clothes from babies through toddlers, small fry and teens. There will be toys too for the children.

The Thrift Shop has had the good fortune to receive many new remnants and rug samples. These latter are bound and are floor mat size. They are from a drapevery shop which has gone out of business and will be featured also this week end.

Swim Course Under Way

With a big splash, the annual free classes in swimming offered by the Mt. Diablo Red Cross Chapter opened Tuesday at the Acalanes High School pool.

The current session, to continue through July 21, is for child swim students in the Lafayette School District—and also for life savers, water safety aides and adults living anywhere in the chapter area, who may attend any of the three sessions this summer.

Second session, from July 24 through August 4, will be for those special groups and adults and also for children from the Orinda, San Ramon, Alamo, Danville, Canyon and Moraga school districts and for those youngsters in the Pleasant Hill area whose homes are south of Boyd Road and Withers Avenue and east of Pleasant Hill Road.

Third session, from August 7 through 18, will be for all children in the chapter area who have not had lessons at one of the earlier sessions, and also to any life savers, water safety aides and adults.

THE CHAPTER has laid down the following stipulations for prospective swimmers enrolling in the classes:

1. Children must be 4 feet tall and have finished the first grade.
2. Girls and women must wear bathing caps.
3. Enrollees should sign up at the Acalanes pool one half hour before class time on the first day of the session.

THE ADULT CLASS is open to men or women 18 years old or over, or high school graduates.

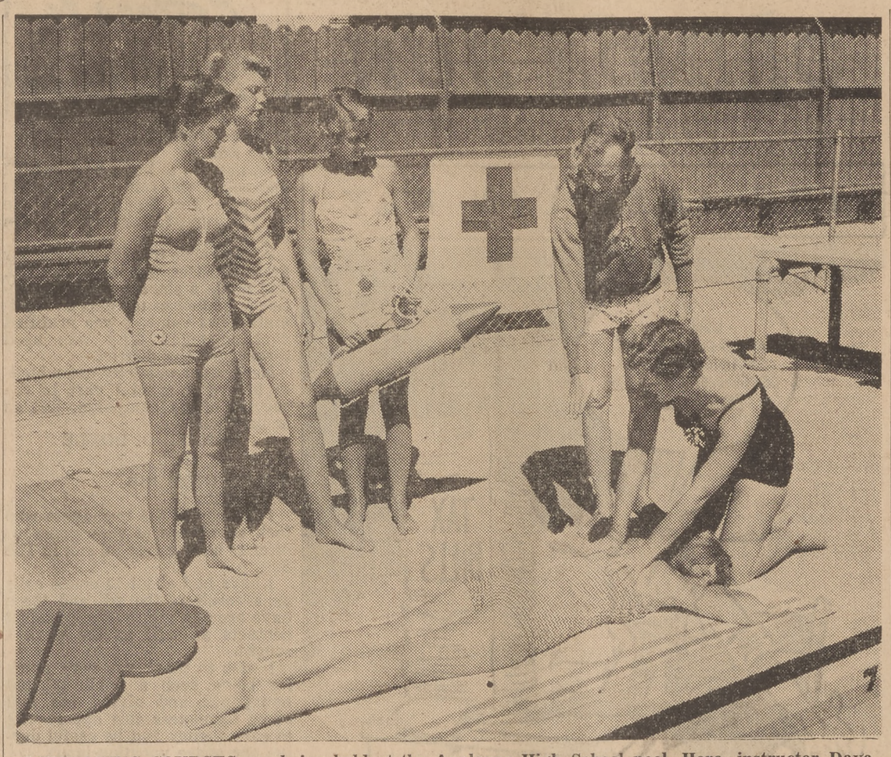
Following is the schedule of classes to be carried throughout the sessions, except where otherwise indicated:

8:30 to 10:30 a.m.—Water Safety Aides and Senior Life Saving (first session only.

8:30 TO 7:30 A.M.—Junior Life Saving (second session only.

8:30 to 10:30 a.m.—Junior and Senior Life Saving (third session only.

10 to 10:30 a.m.—Beginners.
10:30 to 11 a.m.—Beginners.
10:30 to 11 A.M.—Swimmers.
11 to 11:30 a.m. — Non-swimmers-
11 to 11:30—Intermediates.
11:30 to noon—Non-swimmers.
11:30 to noon—Intermediates.
Noon to 12:30 p.m.—Adults.



LIFESAVING COURSES are being held at the Acalanes High School pool. Here, instructor Dave Olson and demonstrator Ann Lee Smith show how to "revive" Pat Ninimo, who simulates a drowning case. Paying close attention are, left to right, Linda Jordan, Caren Jeffries and Carol Jeffries and Carol Gardner. —Sun photo by Elizabeth vander Mark

756 Entries Entertain At CC Kennel Club Show

By ELEANOR FERRY

The largest collection of pedigreed dogs ever to be seen in Contra Costa County was assembled at Acalanes High School Saturday, July 7, for the Contra Costa Kennel Club dog show.

Among the 756 entries were 56 different breeds, from the smallest of all dogs, the Chihuahua, represented by one who tipped the scales at less than two pounds at two years of age, through the less well known breeds, Basenji's (the barkless dog) Lhasa Apses, Bouvier des Flanders, and the Rhodesian Ridgeback, who represents the newest of the pure bred dogs to be recognized by the American Kennel Club.

The crowd of pampered pooches, 73 were showing the spectators how the well mannered dog behaves after owners have given him training. The large entry in obedience trained dogs was judged by Capt. Maurice Rozner, USAF, and Milo Hanson, formerly of Lafayette and now of Sanford, Mich.

Many of the dogs and their owners received the basic training under the direction of Hanson when he conducted training classes in this area.

Topping the entry for best dog in show was Champion Blakeen Ding Dong, a white toy poodle, owned by Mrs. Marguerite S. Tyson of Washington, D.C. This little toy added one more trophy to her growing list of Best in Show wins throughout the country.

The best local dog in show was the Afghan, Candace, owned by Mrs. Lew Blix, of Orinda. In addition to the laurels of Best Local, Candace won two points toward her championship and went Best Opposite to the best of breed Afghan under Anton Korbel.

Candace has only been shown four times. At the age of six months, she's won three points at her first show in competition with adult Aghans. She is a daughter of the champion Taejon of Crown Crest who holds the world's record for Best in Show wins in Afghans.

County Offers Three Positions

Applications will be accepted until next Friday for sergeant, comptometer operator and traffic engineer, announced F. E. Emery, Director of Personnel, Contra Costa County, today.

Sergeant in the Sheriff's Department has a salary of $443-$519 per month. Requires twelfth grade education and either three years paid experience as a Deputy Sheriff Grade II in the Contra Costa Sheriff's Department or three years paid experience in a public police force at least two years of which must have included patrol duties.

Comptometer operator pays $284-341 per month and requires twelfth grade education and two years of full time paid clerical experience which must have included some operation of key driven calculating machines or been supplemented by a course in the operation of such machines.

Traffic engineer has a salary range of $624-$750. Minimum qualifications include registration as a civil engineer in the state of California, college graduation in engineering, and three years professional engineering experience, at least two years of which must have been in a responsible capacity in professional traffic engineering work.

Don't throw trash from your car. It is now against the law to be a litterbug. Keep roads clean.

Officers Elected At Play Center

Mrs. Jeanne Fribley was elected president of the Pied Piper Play Center in a recent meeting. The Center is located at 1397 Boulevard Way, Walnut Creek.

Other officers are First Vice President Mrs. Pat Harris, Second Vice President Mrs. Lois Coleman, Secretary Mrs. Virginia Murphy and Treasurer Mrs. Joy Austin.

Officers Elected By Meadowbrook

The first slate of officers was elected to office Sunday by the Meadowbrook Golf Club Sunday at the first annual meeting of the organization.

Arthur E. Lambert was elected president. Other officers are Al M. Wolff, first vice president; Joseph Lahey, second vice president; Robert Boone, secretary; Edward F. Moran treasurer.

Lambert announced to the membership that negotiations had been completed for the purchase of 50 acres of property bordered by Reliez Valley Road and the Miller Estates property. This brings the total acreage of the club to 115 acres.

An architect began layout of the 18 hole golf course July 3.

"Memberships are stil lopen to Meadowbrook Golf Club," said Art Bell. Further information may be had by writing to the club, Box 1025, Lafayette or calling Hugh Esry, YE 4-5920 or Bell at YE 5-1629.

To celebrate the fourth of July members staged a lawn party and a strolling musician entertained the 200 persons attending.

STORK CLUB

STYSKEL — A son was born to Mr. and Mrs. Edward Styskel of 2525 San Carlos Drive, Walnut Creek, July 2.

HENDERSON — A daughter was born to Mr. and Mrs. George Henderson of 59 Acorn Court, Walnut Creek, July 2. Jill weighed 6 pounds, 13¾ ounces, and was welcomed home by Jan, 2 years, 9 months.

GRAZIANI — A daughter was born to Mr. and Mrs. Robert Graziani of 1991 Carolyn Drive, Pleasant Hill, July 2. Nina Marie weighed 6 pounds 7 ounces, and was welcomed home by Robert, 7, Cathleen, 5, and Michael, 3.

GROESBECK—A son was born to Mr. and Mrs. Russell Groesbeck of 1873 Lacassie Avenue, Walnut Creek, July 3. Jeffrey weighed 7 pounds, 12 ounces, and was welcomed home by Alan, 3, and Gary, 1½.

O'DONNELL—A daughter was born to Mr. and Mrs. Robert O'Donnell of 2131 Ramona Drive, Pleasant Hill, July 4. Susan Frances weighed 7 pounds, 4¼ ounces, and was welcomed home by Matt, 2½.

SMITH — A son was born to Mr. and Mrs. Lyman Smth of 11 Shady Lane Court, Walnut Creek, July 4. Gary Lyman weighed 9 pounds, 8 ounces, and was welcomed home by Diana, 7.

WARREN—A son was born to Mr. and Mrs. George Warren of 2124 Hadden Road, Walnut Creek. Jeffrey Marshall weighing 8 pounds, 6½ ounces, is the Warrens' first child.

PRENTICE — A daughter was born to Mr. and Mrs. John Prentice of 60 Adak Court, Walnut Creek, July 5. Elizabeth Marie weighed 8 pounds, 6½ ounces, and was welcomed home by Barbara, 9, Martin, 8, and Mary Ellen, 22 months.

FUSSELL — A son was born to Mr. and Mrs. Leon Fussell of 1555 Geary Road, Walnut Creek, July 5. Robert Lee weighed 7 pounds, 1½ ounces, and was welcomed home by Barbara, 17, and Patrick, 15.

CONNORS — A daughter was born to Mr. and Mrs. Leland Connors of 1489 Casa Vallecita, Walnut Creek, July 6. Denise Mare weighed 6 pounds, 11½ ounces, and was welcomed home by Gregory Lee, 6, and Deborah Kay, 4½.

DeLIMA — A daughter was born to Mr. and Mrs. Edward DeLima of 2391 San Miguel Drive Walnut Creek, July 7.

McCLEARY — A daughter was born to Mr. and Mrs. Glenn McCleary of 2722 Kinney Drive, Walnut Creek, July 8.

WILLHITE — A son was born to Mr. and Mrs. James Willhite of 1917 Dora Avenue, Walnut Creek, July 9.

KAUFMAN — A daughter was born to Mr. and Mrs. James Kaufman of 1346 Hermine Avenue, Walnut Creek.

ALEXANDER — A son was born to Mr. and Mrs. Leo Alexander of 1281 Stone Valley Road, Alamo, June 28. Robert weighed 8 pounds, 4 ounces, and was welcomed home by Chris, 8, Fred, 11, Marcy, 13.

CORSEN — A son was born to Mr. and Mrs. Leland Corsen of 1717 Springbrook Road, Walnut Creek, June 18. Gary Allen weighed 7 pounds, 2 ounces, and was welcomed home by Christopher, 2, and Jefrey Lynn, 1.

DIBBERN — A son was born to Mr. and Mrs. David Dibbern of 276 Douglas Lane, Walnut Creek, June 20.

PEIRCE — A daughter was born to Mr. and Mrs. Donald Peirce of 31 Cela Court, Walnut Creek, June 29. Kathleen Marie weighed 7 pounds, 11 ounces, and was welcomed home by Teresa, 21 months.

JOHNSON — A son was born to Mr. and Mrs. David Johnson of 1778 San Miguel Drive, Walnut Creek, June 17. Steven Blair, weighing 7 pounds, 10 ounces, is the Johnsons' first child.

MANGUM — A daughter was born to Mr. and Mrs. Roy Mangum of 36 Ackley Court, Walnut Creek, June 14. Coleen weighed 8 pounds, 9 ounces, and was welcomed home by Camile Patrcia, 19 months.

NEVIN — A daughter was born to Mr. and Mrs. Edward Nevin Jr., of 71 Norman Court, Walnut Creek. Patricia Louse weighed 5 pounds, 14 ounces, and was welcomed home by Edward, 4, Teresa, 3, and Michael, 2.

SHOUP — A daughter was born to Mr. and Mrs. John G. Shoup of 2139 Whyte Park, Walnut Creek, June 16.

YOUNG — A son was born to Mr. and Mrs. Tom Young of 112 Del Monte Drive, Walnut Creek, June 17. John Thomas weghed 10 pounds, 6 ounces, and was welcomed home by Kim, 5½, David, 4, and Ross, 2½.

FAHEY — A daughter was born to Mr. and Mrs. Richard Fahey of 230 Jeane Drive, Pleasant Hill, June 10. Lois Derington weighed 7 pounds, 9 ounces, and was welcomed home by Anthony Joseph, 15 months.

BATES — A daughter was born to Mr. and Mrs. Charles Bates of 1039 Santa Cruz Drive, Pleasant Hill, June 5. Tracy Ann weighed 7 pounds, 14 ounces, and was welcomed home by Linda, 3½.

DOUGHTY—A daughter, Christine Alison, was born to Mr. and Mrs. Don Doughty of 1 Dos Posos, Orinda, July 9 at Merritt Hospital, Oakland. She weighed 8 pounds, 9 ounces at birth. Christine is the Doughty's first child.

WATSON—Craig Haskell is the new son of Mr. and Mrs. Oscar Watson, 3782 Highland Road, Lafayette. Craig was born on July 1 at the Merritt Hospital and weighed 4 pounds, 14½ ounces. Brother Oudie, 7, and sister Cecily, 5, welcomed him home. His grandfather, I. M. Craig, lives in San Francisco.

MOORE — Dr. and Mrs. John Moore, 3774 Sundale Road, Lafayette, became the parents of their fourth child on July 3 when Mrs. Moore gave birth to Charles Elliott at Alta Bates Hospital. Other Moore offspring are Jody, 7, Robbie, 5, and Mindy, 4. Mr. and Mrs. Charles Moore, their grandparents, live in Albany.

Kiddy Movies to Be Discontinued

Mrs. B. H. Kaplan, president of the Lafayette Motion Picture Council, has announced that the Thursday afternoon approved movies at the Park Theater will be discontinued because of "low attendance so far at the matinees."

Approved children's movies will be resumed again Sept. 8, according to Mrs. Kaplan.

HAROLD J. POWERS
LIEUTENANT GOVERNOR
STATE OF CALIFORNIA

April 20, 1956

Mr. Herman Silverman, Editor-Publisher
Sun Publishing Company
1320 Locust Street
Walnut Creek, California

Dear Mr. Silverman:

A copy of the first edition of the Pleasant Hill Sun has just been brought to my attention. Please accept my congratulations on the inception of another publication designed to serve the particular needs of your section of Contra Costa County.

Knowing your enthusiasm for good newspapering and your concern for the welfare of all segments of the area your newspapers serve, I cannot help but feel confident that it will be a tremendous success.

I am familiar with the policies and activities of the Walnut Creek Sun, the Lafayette Sun and the Orinda Sun, and I know that they put the interests of those communities and the entire county of Contra Costa above every other consideration.

It has always been my feeling that newspapers, particularly newspapers of the type you publish, are the very backbone of democratic life. Without them, I am afraid, we would be only too prone to slip into moods of acceptance and complacency, both of which are bitter enemies of good Federal, State, County and community government.

With my very best wishes for the success of the Pleasant Hill Sun, as well as the Orinda, Lafayette and Walnut Creek Suns, I remain,

Yours very truly,

Harold J. Powers

THE FIRST SLICE of the traditional wedding cake was cut recently by the new Mr. and Mrs. Owen Babcock following their garden wedding near Sacramento, the bride's home town. The bride is the former Judith Crum while the groom is the son of Mrs. William J. Babcock of Lafayette. The couple honeymooned in California.

Miller-Bottomley Wedding Has Music from Hawaii

Hawaiian music preceded the wedding march last Saturday in St. Stephen's Episcopal Church in Orinda as Marianne Dawn Bottomley exchanged nuptial vows with Paul Lloyd Miller.

The young couple, currently honeymooning at Miller's cottage at Bethel Island, listened to the strains of the Hawaiian wedding march, "Ke Kail Ne Au," played by Esther Paulson and her troupe before the wedding procession began.

With the Rev. Albert Lucas, pastor at St. Stephens, officiatng, the bride, the daughter of Mr. and Mrs. Francis Kelvin (Jack) Bottomley, 41 Los Altos, Ornda, was given in marriage by her father.

The groom is the son of Mr. and Mrs. Grundy Miller, 3706 Hghland Court, Lafayette.

FOLLOWING the ceremonies the wedding party went to the Orinda Country Club for the couple's reception. Esther Paulson once again provided music of the Islands at the recepton.

The bride was dressed in a chantilly lace gown with a long torso bodice. The dress featured a portrait neckline and tulle skirt with panels running down the front to the floor. Lace panels in the back ended in a court train.

Her veil was of matching lace crown with a fingertip veil.

Attending Marianne were Matron of Honor Mrs. Conway Petersen of Berkeley and Maid of Honor Miss Hope Davidson of Orinda.

The new Mrs. Miller's attendants, including bridesmaids Miss Carol Earle of Orinda, fiancee of the bride's brother, Allen, and Miss Ruby Yaryan of Orinda, wore white dotted Swiss ballerina dresses with short sleeves and Sabrina necklines. Their faces were framed by white horsehair picture hats with yellow bows and streamers.

THE BRIDE carried a crown flower bouquet, while her attendants carried strands of Maile with yellow and brown orchids.

Marianne's mother, Mrs. Bottomley, wore a beige lace gown over satin. She had a matching hat and wore pakalana leis. Paul's mother, Mrs. Miller, donned a brown lace dress with pink accessories and wore purple orchids.

Following their honeymoon, the newlyweds will go to Colorado Springs, Colo., where they will live in an apartment. Paul, in the Army Infantry, 8th Division, will report back to Fort Carson, Colo., for duty.

When Paul leaves with the 8th Division for duty in Germany the latter part of August, Marianne will return to her parent's home in Orinda, hoping to join Paul later.

Both the bride and groom were graduated from Acalanes High School in 1955.

A HONEYMOON at Lake Tahoe followed the recent wedding of Mr. and Mrs. Norman A. Passur Jr., held at Our Saviors Lutheran Church, Lafayette. Parents of the bridegroom are Mr. and Mrs. Norma A. Passur of 2420 Warren Road, Walnut Creek. The bride is the former Berniece Loye Sunquist of Olympia, Washington. —Ted Gurney photo

Alumnae Travel for Dinner

Their first social event proved an outstanding success for alumnae of Alpha Xi Delta sorority recently, when they staged a progressive dinner party.

The dinner for Diablo Valley Alumnae and their husbands progressed from Lafayette to Orinda to Walnut Creek.

First stop was the Lafayette Highlands home of Norma and Bill Bolce, where Bill dispensed martinis and other potables from the family room bar ,aided by Glenn Vivrette and Bob Gammon.

A short jaunt to Glenside was made by the group for the salad course, served at the home of Nancy and Pat Sterbenz. The diners then proceeded to Orinda to the Oakwood Drive estate of Mary and John Dorr.

The spacious Dorr lanai and solarium formed an exotic setting for the entree of ham, fresh pineapple, and other Hawaiian dishes.

Motoring to Walnut Creek for dessert and coffee, the group remained at Jim and Jane Teddy's Magnolia Boulevard home for the rest of the evening.

Dancing on the torch-lit patio completed the festivities.

Travelling diners included:

Mesdames and Messers. Glenn Vivrette, James Teddy, A. C. Weber Jr., Pat H. Sterbenz, Robert Smith, J. F. Smith Jr., G. Austin Shepherd, Carter Miles, Gordon Hughes, George Hemminger, Robert Gammon, John Dorr, Robert Fugazi, Phillip Chance and William J. Bolce Jr.

Mrs. Weber will be hostess to the group at a meeting Monday evening at her home on Camino Colorados in Lafayette. Alpha Xi Delta alumnae living in the Diablo Valley area wishing to attend meetings may call president Mrs. James Teddy at YE 4-0241.

FRIENDS LOOKED ON in Framingham, Mass., as Richard Crosby Rogers, son of Dr. and Mrs. Edward S. Rogers of Orinda, and his Framingham bride, Alyce Berenice Hastings, sliced their wedding cake. Included among the bride's and groom's attendants were several other Orindans.

Couple Come To Lafayette For Wedding

Wedlock was waiting at the end of the journey home from the University of Colorado for Virginia Ann Spurlock, who last Saturday was married to fellow student David Allen Reavill at the home of her parents, Mr. and Mrs. Burwell Spurlock, 1206 Monticello Road, Lafayette.

Virginia and David, who met at the university, were joined by the Rev. Chester Lewis, pastor of the Lafayette Community Church, in the informal home ceremonies Saturday afternoon.

Reavill ,the son of Mr. and Mrs. Tobey O. Reavill of Rock Springs, Wyo., and his bride were honored in the evening at a wedding dinner attended by relatives and close friends of the couple.

Attending the former Miss Spurlock was her sister, Drury Spurlock, while her husband's best man was Eldon Johnson of Rock Springs.

Virginia was graduated from Acalanes High School in 1953 and has been attending the University of Colorado for the past three years, heading for her teaching degree. Reavill received his degree in engineering there last month.

The couple will reside in Rivera in Southern California, where Virginia will complete her schooling and her husband will work for North American Aviation.

Wedding Vows Exchanged by Young Couple

Miss Arelene Marcyes and Chester J. MacNeil exchanged wedding vows at an afternoon wedding June 24 at the Pleasant Hill Community Baptist Church at 924 Pleasant Hill Road, with the pastor, Reverend Roland E. Smith officiating at the double ring ceremony. Baskets of flowers were used as decorations in the church.

Given in marriage by her father, the bride wore a white lace floor length gown, her mother's illusion wedding finger-length veil which was held in place with a pearl seed cap. Her bouquet was of white carnations and pink rosebuds.

Maid of honor was the bride's aunt, Miss Carole Warford of Pleasant Hill. She wore a blue lace ballerina length dress, a blue halo in her hair, and carried a bouquet of pink carnations. Diane Dale Marcyes, sister of the bride, was bridesmaid, and wore an orchid and white dacron dress and carried a cluster of yellow carnations.

The bride's mother, Mrs. F. Marcyes, wore a pink silk dress, pink accessories and wore a white orchid corsage. The groom's mother, Mrs. MacNeil, wore a blue lace afternoon dress, white accesories, and wore a white gardenia corsage.

Best man was Kevin B. Strauss of Richmond; and ushers were Gary Marcyes, the bride's brother; and a cousin of the bride, Ronald Marcyes of Tracy.

The bride, daughter of Mr. and Mrs. Fay Marcyes of 731 Hazelwood Drive, Walnut Creek, attends Las Lomas High School, and will resume her studies in the fall.

The benedict, son of Mr. and Mrs. Chester MacNeil of Richmond, graduated from Richmond Union High School, and is employed n Richmond.

Folowing the wedding ceremony, more than 125 guests attended a reception at the bride's parents home. The newlyweds cut a four tier wedding cake with the traditional bride and groom figures on top, and rosebuds and doves encircled the cake.

The young couple went to Richardson Springs near Chico for a week's honeymoon trip before moving to Richmond.

Prior to the wedding, Mrs. Lester Wyman of Walnut Creek, held a miscellaneous shower with 35 guests attending.

LAFAYETTE WOMEN'S CLUB has new officers for the 1956-57 year. Studying club records are, left to right: Seated—Mrs. Andrew Young, treasurer; Mrs. Robert Lockey, outgoing president, and Mrs. George H. Pedersen, new president; standing—Mrs. Albert Alexander, second vice-president, and Mrs. Harold E. Mutnick, first vice-president. The club was formerly called the Lafayette Women's Forum. —SUN photo by Mattson

Marilyn Wilson To Wed Robert Burns Flaner

Mr. and Mrs. Ben O. Wilson of 1811 Poplar Drive, Walnut Creek announced the engagement of their daughter, Miss Marilyn Kay Wilson to Robert Burns Flaner, at a party of classmates and friends of the young couple.

Marilyn, a June graduate of Las Lomas High School, has been identified with various school activites including Girls Athletic Association, and a member of the cheer bearer committee; and a member of Walnut Creek Assembly for Rainbow Girls.

Her fiance, son of Mr. and Mrs. Harry Flaner, 12 Poplar Court, was a June 1952 graduate of Acalanes High School, and is presently employed in Concord.

Guests at the party included Joan Crew, Ronald Sadilli, George Fortado, Dorothy Nass, Betty Wishusen, Gordy Townsend, Gaylene Wightman, Gary Wiget, and the bride-elect's sister, Cheryl Sue Wilson.

While no date has been set for the wedding, the young couple plan a summer 1957 wedding at the Walnut Creek Presbyterian Church.

Local Couple Celebrates 50th Year

Mr. and Mrs. J. B. Wallihan of Oak Park Boulevard were the guests of honor at a recent dinner held in the private banquet room of the "Spaghetti Pot" in San Francisco.

The dinner was given by Mr. and Mrs. C. R. Crawford of San Francisco to celebrate the 50th wedding anniversary.

Among those present were Messrs. and Mesdames J. B. Kennedy of Oak Park Boulevard, Ted Langford of Oak Park Boulevard, Clark Wallihan of Alhambra, Russell Worman of Nipinnawasee, J. A. Desio, Charles Crawford Jr., Mark Brown, Henry McManus, G. E. Eaton, Santiago Fernandez, all of San Francisco, and Miss Carol Eaton.

A lovely annivesary cake decorated the center of the table. The Wallihans received a number of lovely gifts, including a gold china cream and sugar, lovely gold cake dish, gild filigree doilies and other things appropriate to the golden anniversary.

Miss Vochatzer Married; Carmel Is Destination

Beverly Jeanne Vochatzer of 1735 Oak Park Boulevard became the bride of Donald Menez of 3237 McNutt Avenue in an afternoon ceremony at the First Lutheran Church of Concord.

Janice Hauth of Pleasant Hill was maid of honor and Linda Firby of Lafayette was bridesmaid. Best man was Hector Jalbert, and Frank Furtado and the groom's brother, Kenneth Menez, served as ushers. All are from Pleasant Hill.

The bride wore a ballerina length gown of white lace over taffeta with a fingertip veil and carried a bridal bouquet of white orchids with white carnations and stephanotis.

The maid of honor and bridesmaid wore ballerina length gowns of pink and blue polished cotton and carried carnations.

The wedding was performed by the Reverend H. Seyer who had baptized, confrmed and finally performed the marriage ceremony.

The church choir, of which the bride had been a member, sang "The Lord's Prayer." Mrs. Christine Lord was soloist, singing a song which she herself had composed for the occasion.

Both mothers wore navy blue for the occasion, Mrs. Vochatzer's accessories also being blue and Mrs. Menez' being pink.

The reception immediately following the wedding was held at the home of the bride's parents, Mr. and Mrs. George W. Vochatzer.

The groom is the son of Mr. and Mrs. Mannie Menez.

Following the reception the bridal couple left for a honeymoon in Carmel, and then left for Hinesville, Ga., where the groom is stationed at Camp Stewart.

Orindans See Rogers Wed

Although some 3000 miles from home, Richard Crosby Rogers, son of Dr. and Mrs. Edward S. Rogers, 6 Oak Drive, Orinda, was attended by two fellow Acalanes Union High School graduates as he married Miss Alyce Berenice Hastings recently in Framingham, Mass., his bride's home town.

In candlelight ceremonies in Grace Congregational Church, Framingham, Rogers had as his best man Arthur G. Siler, and Howard Flanders served as an usher.

The Acalanes schoolmates all attended Harvard University, and all graduated last month.

The new Mrs. Rogers, daughter of Mr. and Mrs. Cedric M. Hastings, attended Bennington College.

Orinda was also well represented in the bride's party as Miss Jane Rogers and Miss Elizabeth Rogers. both local ladies, served as bridesmaids.

The couple will spend the summer in Calfornia, after which they will make their home in Boston while the bride attends Wheelock College and the bridegroom studies at Harvard Medical School.

Couple Feted At Family Party

A dinner party honoring the 48th wedding anniversary of their parents, Mr .and Mrs. R. A. S. McIsaac of Cayucos, California, was held jointly by Mrs. Rhoda Owens of 947 Pleasant Hill Road, and her sister, Mrs. Adeline Pencovic of Acalanes Avenue, Lafayette.

Delta Zetas to Swim, Barbecue

Delta Zeta Bay Area alumnae will gather for a barbecue and swimming party at the home of Dr. and Mrs. H. R. Weatherbe, 920 Jeffrey Lane, Walnut Creek, tomorrow at 3 p.m.

Although all Bay Area alumnae of Delta Zeta are included, the gathering is under the sponsorship of the Mt. Diablo Alumnae Chapter.

Members who would like to attend and haven't been contacted by Delta Zeta, can contact Mrs. Ed Firth at AT 3-2997.

President of the Mt. Diablo Alumnae Chapter is Mrs. Steven Johnson of Lafayette.

Bride, Groom Enroute to Hawaii

Enroute from St. Louis to Hawaii, are William Dewey Balfour and his brde of a few months, the former Barbara Louise Jones of Pleasant Hill.

The newlyweds visited the bride's parents, Mr. and Mrs. Thomas Henry Jones of 1791 Shirley Drive, Pleasant Hill. Because of their college commitments, the young couple decided to be married in St. Louis where the wedding was held in the church of Holy Communion, and was attended by members of both families.

The bride is an alumnae of the College of Education, University of Missouri, and taught at the Meadow Homes Elementary School in Concord.

The bridegroom, son of Mr. and Mrs. William D. Balfour of St. Louis, Mo., graduated from the University of Misouri, College of Agriculture in June, and plans to return there at the beginning of the school year in the fall to do post graduate work. They plan to spend the summer in Hawaii, where his family lived for many years, and he attended prep school.

Also on the trip to Hawaii was the bridegroom's mother, Mrs. Balfour, and his maternal grandfather, John F. Scintzer.

Formal Affair A la Disneyland

The uniqueness and adventure of Disneyland will be infused into the decorations at the Diablo Country Club tomorrow night for the annual formal dinner-dance of the Spinsters and Dames of the East Bay.

Mrs. Monte Haslett of Orinda will lead an aggregation of new club members in preparing the decorations. Festivities will get under way at 8 p.m. and are slated to last through the wee hours of the morning.

With drinks at the cocktail bar included in the price of the tickets, only two cocktail parties are on tap preceding the formal affair, both in Piedmont.

Mr. and Mrs. Phillip Chapman of Orinda and Mr .and Mrs. William Kinney of Lafayette are among the guests invited to a post-party breakfast Sunday morning at the Concord home of Mrs. Wesley F. Laubscher of Concord.

Attend State Convention

Two Pleasant Hill women were delegates to the first board meeting in Santa Monica Saturday of officers of the Junior Membership of the California Federation of Women's Clubs. The next session of the California Federation will be held February 1 and 2 in San Francisco.

The initial meeting was attended by Mrs. Jack Corder, chairman of conservation of natural resources committee, and Mrs. Peter Jarrett of Pleasant Hill, president of the Alameda District of Junior Women's Clubs.

Mrs. Jarrett was named to the resolutions committee at the board meeting. Other business matters considered were the approval of a tentative budget for 1956-1957; and the acceptance of the Big Bear Lake Junior Women's Club, as a new member of the Federation.

Planetarium Show Is 'Man on Mars'

"Man on Mars" is the title of the summer show at Morrison Plantertum, San Francisco, which the staff is billing as its most spectacular show of the year. The show will run through July and August.

Highlights are a simulated rocket ride to the planet and the view of a Martian landscape which audiences will get when the imaginary space ship arrives at its destination.

Performances are on Wednesdays, Thursdays and Fridays at 2:15, 3:30 and 8:30 p.m.; on Saturdays and Sundays at 12:15, 3:30 and 8:30 p.m. Tickets are 75 cents for adults; 40 cents for juniors 16 or under.

150 Locals Set to Attend Religious Meet Thursday

This area will have over 150 representatives at the four day District Assembly of Jehovah's Witnesses at Golden Gate Fields, July 19-22.

The principal speaker, Nicholas Kovalak Jr., a special representative of the Watchtower Bible and Tract Society, has arrived in Albany to correlate all the arrangements for the District Assembly.

The stands at the racetrack are being converted into a place of worship. A stage, 40' x 80', centered in front of the grandstand, is in process of construction.

The purpose of this assembly, said Kovalak, "is to provide Bible education and Christian fellowship for the 10,000 Jehovah's witnesses located in Northern and Central California."

Christian Science

How spiritual understanding of God as divine Life brings increased strength and usefulness will be brought out at services this Sunday in Churches of Christ, Scientist, at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek.

Scriptural readings in the Lesson-Sermon on "Life" will include the following from Psalms (66:8, 9):

"O bless our God, ye people, and make the voice of his praise to be heard: Which holdeth our soul in life, and suffereth not our feet to be moved."

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (487: 27):

"The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality."

The Golden Text is from John (5:26): "As the Father hath life in himself; so hath he given to the Son to have life in himself."
